GOLDEN VOICES CONCERT CHOIR**

**ORDER FORM**

The Tuskegee University "Golden Voices" Concert Choir is steeped in more than a century of pride and the richest of choral traditions. Since its inception in 1886, the Tuskegee Choir has served as an artistic model while carving its place in American history. Under the leadership of the renowned composer and educator William Levi Dawson, the Choir rose to international prominence with appearances at Radio City Music Hall in New York City and the White House (1932), Constitution Hall (1946), and on a host of popular television shows. The Choir continues its mission of campus service and ambassadorship through leadership at weekly University Chapel Services and appearances across the nation. "The Pride of the swift-growing South" still remains strong.
