Students should review the final examination schedule before finalizing a schedule of classes to avoid having too many examinations on a given day.

Four-hour classes, for example 8:00 MTThF, will follow the examination day and time for the three-hour class, 8:00 MWF. For a class that is offered once or twice a week, follow the examination schedule for the day and time as if it were a three-hour class. (For example, a class 3:00 to 4:30 p.m. on Monday and Wednesday will follow the 3:00 p.m. Monday, Wednesday, Friday class examination time.)

This schedule conforms to the Regular Classes as indicated in the ACADEMIC REGULATIONS HANDBOOK.

Students and parents should avoid purchasing airline tickets which conflict with the examination schedule.

Final Examinations must be given in accordance with the above schedule.

Final Examinations: If a student has three or more examinations back-to-back on a given day, the student may wish to contact the Office of the Provost **before** November 7, 2011, so that arrangements can be made to avoid this situation.
