**The Tuskegee University Office  
of Admissions and Enrollment Management**

Invites you to visit Tuskegee's historic campus. Our Spring 2012 Open House Program will provide an opportunity for you to meet our faculty, staff, and students. You will also experience the exciting and engaging campus community.

Tuskegee University, the premier Historically Black University, boasts strong academic proficiency in engineering and science. In addition, our business and liberal arts programs help create a well-rounded university capable of challenging the most inquisitive minds.

The university has an enrollment of approximately 3,100 students. It is among the nation's top 10 producers of African-American engineering graduates and the nation's leading producer of African-American graduates in aerospace, chemical, mechanical, and electrical engineering.

In addition, Tuskegee holds the distinction of being the only Historically Black College or University in the nation to confer the Doctor of Veterinary Medicine degree and offer a Ph.D. in Integrative Biosciences.

For more information about Tuskegee University, including directions to the campus, hotel accommodations, the university's vision, mission, philosophy, and goals, please visit our website at [www.tuskegee.edu](http://www.tuskegee.edu).
