

SPRING 2023 FINANCIAL CLEARANCE PROCESS

The Office of the Bursar is happy to announce the continuation of the Nelnet payment plan. You may now enroll in the payment plan by following the steps below.

1. **Payment Plan:** Students with a balance ranging between \$500 and \$6,000 are required to pay their balance in full or enroll in the payment plan prior to January 3, 2023. You may proceed to <https://online.campuscommerce.com> to enroll in the payment plan. You may enroll using your credit/debit card, checking or savings account. A payment plan enrollment fee of \$65 is required and must be paid up front. You may split the balance into a maximum of five equal monthly payments starting December 1, 2022 through April 1, 2023; or a four month payment plan option available, with four equal monthly payments starting January 1, 2023 through April 1, 2023. The first payment and the enrollment fee must be paid for the plan to be active. Delinquent payment plans will not be active and will result in a financial hold being placed on the student account. A financial hold will prevent you from dropping courses, reviewing grades, and receiving a transcript.
2. **Account Balance Payments:** Students are not required to enroll in the payment plan if your overall balance is \$500 or below. If you would like to pay any remaining balance in full, you may contact the Office of the Cashier at (334) 727-8418 or (334) 727-8525 to make payments. The Office of the Cashier can take your payment in person or by phone, using Visa, Mastercard, Discover or American Express. The hours of operation are Monday through Friday, 8:30 a.m. to 4 p.m. Please be aware that there are extremely high call volumes during registration periods. You are strongly encouraged to monitor your account and make payments via Self-Service.
