Students should review the final examination schedule before finalizing a schedule of classes to avoid having too many examinations on a given day.

Four-hour classes, for example 8:00 MTThF, will follow the examination day and time for the three-hour class, 8:00 MWF. For a class that is offered once or twice a week, follow the examination schedule for the day and time as if it were a three-hour class. (For example, a class 3:00 to 4:30 p.m. on Wednesday and Thursday will follow the 3:00 p.m. Wednesday, Thursday, Friday class examination time.)

**This schedule conforms to the Regular Classes as indicated in the ACADEMIC REGULATIONS HANDBOOK.**

**Students and parents should avoid purchasing airline tickets which conflict with the examination schedule.**

Final Examinations must be given in accordance with the above schedule.

**Final Examinations:** If a student has three or more examinations back-to-back on a given day, the student may wish to contact the Office of the Provost **before** November 8, 2023, so that arrangements can be made to avoid this situation.
