

Things You Should Know

SEVIS REGISTRATION

The Student and Exchange Visitor Information System (SEVIS) is a database system used by the U.S. Department of Homeland Security (USCIS) and SEVIS-approved educational institutions to monitor students (and dependents) in F-1 and J-1 status. Your SEVIS number is printed on your I-20 or DS-2019 form.

Upon arrival all international students and scholars must come to Tuskegee University Global Office (TUGO) located in John A. Kenney Hall, Room 70-119 for SEVIS registration. The telephone numbers are (334) 727-8929 or 727-8686.

Office hours are from Monday to Friday, 8:00 a.m. – 12:00p.m and 1:00p.m to 4:30p.m.

Bring your I-20 or DS-2019 form, passport, and I-94 printout. If you have dependents with you, bring their documents also!!!

Failure to comply with SEVIS registration will result in termination of your SEVIS record. SEVIS Registration lasts up to one hour. During this time you will meet with TUGO staff and gain important information to help in your transition to Tuskegee University.
