2020 Goat Events

Goat Day
Saturday, April 18, 2020

Interested in finding out the latest trends in the goat industry? Then the Annual Goat Day held at Tuskegee University is for you. Learn from the experts about the latest findings in goat research, marketing and management.

For more information contact Dr. Nar Gurung at ngurung@tuskegee.edu or (334) 727-8457.

Goat Show
Saturday, October 17, 2020

This event allows youth from all over to come and show their goats. Persons interested in showing goats, but don’t have experience, can request to have a Goat Show Clinic held in their area.

For more information contact Dr. Nar Gurung, Director of Caprine Research Unit at ngurung@tuskegee.edu or (334) 727-8457.

Other Goats Events
1) Agroforestry/ Silvopasture Workshop (On Demand)
2) Forage/ Pasture Management for Goats Workshop (Spring)
3) Goat Show Clinics (On Demand)

For more details on these events, contact Dr. Uma Karki, State Extension Livestock Specialist at ukarki@tuskegee.edu or (334) 727-8336.

Master Goat Producer’s Certification Training Program
August 3-5, 2020

Individuals new and old to goat production can learn how to maximize their operations through this 3-day workshop that covers topics including Marketing, Budgets, Business Plans, Record Keeping, Livestock Evaluation, Reproductive Management, Herd Health and Management Techniques, Carcass Evaluation, Hoof Trimming, Physical Evaluation and much more.

For more information and registration materials contact Dr. Olga Bolden-Tiller at obtiller@tuskegee.edu or (334) 727-8403 or Ms. Tiffani W. Williams at twilliams1@tuskegee.edu or (334) 727-8453

Artificial Insemination For Goats

Conducted every odd year in May

Artificial insemination (AI) is gaining popularity among goat producers. Goat producers can take advantage of AI to accelerate generic gain, to eliminate herd maintenance costs and to preserve valuable genetics. Gain knowledge and hands on experience at our AI workshop for goats held at Tuskegee University!

For more information and registration materials contact Dr. Olga Bolden-Tiller at obtiller@tuskegee.edu or (344) 727-8403 or Ms. Tiffani W. Williams at twilliams1@tuskegee.edu or (334) 727-8453.
