

2019 Tuskegee University Prevet Club OPEN Goat Show

1:00 PM Saturday, October 19, 2019

Tuskegee University Goat Research and Education Unit
Tuskegee University

GENERAL INFORMATION:

- Open to Alabama youth less than 19 years of age.
- Entries must be postmarked by Monday, October 14, 2019. Late entries will be charged double the stated amount. There will be no refunds for entry fees.
- Check-in (and weigh-in for Breeder/Market classes) will be from 10:00 AM to 12:00 Noon, Saturday October 19, 2019.
- A doe kid may be shown in both Breeding and a Market class by paying an entry fee for each class.
- Exhibitors must provide their own power for air conditioning units, blowers, fans, etc.
- Animals must be shown in natural form without alterations due to surgical or use of drugs, etc.
- All goats will be subject to inspection; suspect animals will not be allowed in the facilities nor will they be allowed to show.
- The attending veterinarian has the professional responsibility and absolute authority to remove any goat(s) from the show that they considered a potential health risk to other animals. In addition, the attending veterinarian will check health papers such as Certificate of Veterinary Inspection.
- The USDA/APHIS National Scrapie Eradication Program requires that each participant's goats must have scrapie tags. Scrapie tags will be verified by TU Prevet Club members.

GOAT SHOWMANSHIP: \$5.00 entry

- There will be four divisions (based on the showman's age as of **January 1, 2020**).
 1. Senior (15 years and older)
 2. Intermediate (12, 13, & 14-year-old)
 3. Junior (9, 10, & 11 years old)
 4. Pee-wee (8 and younger)

BREEDING DOE CLASSES: \$10.00 entry

- All breeding does must be born on or after **September 1, 2017**.
- Separate divisions are tentatively scheduled for: commercial and for Boer, Kiko, Spanish, and "All Other Breeds" (AOB) does. A minimum of five does must be entered within a breed for that breed to have a separate division. Breeds with less than five does will be pooled into an AOB division.
- Depending upon numbers of entries, does may be divided at natural age breaks with a maximum number of ten does per class.
- Registered does must be properly recorded with the appropriate breed association registry, and exhibitor's name will be verified as owner on the appropriate breed association certificate to check-in.

MARKET GOAT CLASSES: \$10.00 entry

- Kids (wethers and does) with baby teeth will be divided by weight into classes of approximately equal size.
- Kids, wethers and does with baby teeth in place.
