E. Bruce Phillips, Jr., realized his passion for art very early. Mr. Phillips received a BA in Marketing from Morehouse College in Atlanta GA, a Masters in Fine Art in Painting from the Savannah College of Art and Design (SCAD) in Savannah, GA, and benefited from travel and art studies in Italy and France. His most current works showcase his fascination of architecture and spatial relationships and build on his use of color and texture to create abstract works of great visual height, depth and dimension.

Bruce has had solo exhibitions at The Legacy Museum, Tuskegee AL; Rosa Parks Museum in Montgomery, AL; Hammonds House Gallery and The Odd Fellows Building on Sweet Auburn in Atlanta, GA; and The Beech Institute, The City of Savannah Gallery and SCAD in Savannah, GA. His latest exhibition was in February 2015 at Huntingdon College in Montgomery, AL.

Phillips has been an Assistant Art Professor at Tuskegee University since 2009 where he continues to expose students to the history, beauty and centrality of art in our lives.
