

**Tuskegee University College of Engineering**  
**Leon Wilson Scholarship \_\_\_\_\_ Academic Year**

**Description:**

The Leon Wilson scholarship provides students with financial support, as well as additional development and mentorship opportunities throughout the year. The goal of the Leon Wilson Scholarship is to help reduce the financial burden of talented undergraduate studying in the College of Engineering at Tuskegee University.

**Scholarship Awards and Eligibility Requirements:**

The award is designed for students with a promising academic record; academic awards, membership in a technical society (e.g., NSBE, SWE, ACS, etc.) and/or extra-curricular activities (e.g., sororities/fraternities, sports) should be noted on the application. Applicants must be US Citizens and full-time students at Tuskegee University.

**Application and Review:**

The applications will be reviewed by a committee from four engineering departments (Aerospace, Chemical, Electrical/Computer, and Mechanical). The Dean of the College of Engineering will chair the review committee.

**Summary of scholarship:**

1. Scholarships are to be awarded to students studying in the College of Engineering.
2. Scholarships are to provide students that demonstrate the need for financial assistance based upon their request for financial assistance.
3. Scholarships should be awarded and be used for tuitions, books, and fees, etc.
4. The students must have an accumulated GPA of at least 2.50 based on the first-year grades in the College of Engineering.
5. Scholarships are renewable meaning students may re-apply/qualify each year the student demonstrates the need for financial assistance.
