**Coagulation Panel: at TUCVM this includes PT and aPTT.		

*Our points credits only come when a chem panel (Equine, Chem 10, Chem 15, Chem 17) is ordered along with a CBC and Electrolytes (LYTES). If the tests are ordered separately, the credit is not given, UNLESS DURING THE SAME VISIT as an addendum. For example, if a CBC was ordered yesterday and a CHEM17 and LYTES were ordered the next day, points would be given if added as an ADDENDUM.

*****THERE IS NO FEE FOR SHIPPING TO AND FROM IDEXX*****
