Notes

1) The Major Professor(s), in collaboration with committee members, is expected to examine the thesis/dissertation in every detail. The signature of the Major Professors certifies compliance with institutional policies (including proper conduct of research), data accuracy, grammar/syntax, formatting, style, etc.

2) The signature of the college's Dean or designee certifies that draft submitted to GSR was inspected by committee members, and that the student was mentored, and assisted about requirements (see www.tuskegee.edu/gsr) when preparing of the document submitted to GSR

Special Note: After the oral examination, the candidate may be required to perform additional work in the fulfillment of requirements toward Thesis/Dissertation. The candidate may in addition be required to make corrections to the document under consideration by the committee and GSR

***Examining committee recommendations for the candidate:**

Only one report with **original signatures** must be returned to GSR immediately after the examination
