The University Commons Apartments

The University Commons are fully furnished two bedroom/two bath and four-bedroom/two bath on-campus apartments. Apartment features include a kitchen equipped with refrigerator, dishwasher, garbage disposal, microwave oven and full-sized range with hood.

The energy efficient air conditioned and centrally heated apartments also come with wall to wall carpeting, ceiling fans, mini blinds, spacious closets and sliding closet doors, double bathroom vanities, individual bedroom locks and a built-in study area in each room.

At check-in time residents must be financially cleared (paid in full). Residents will sign their lease and receive their keys upon check-in and will receive a copy of the rules and regulations and fine sheet. Tenants are required to inventory the contents and condition of their assigned apartment using an inventory form issued by the Housing Office, as well as personal inventory sheet. A copy of the inventory must be returned to the Housing Office to remain in the student's file for security purposes. Failure to return required forms will result in a $25.00 fine.

The tenant must complete an Intent-to-Vacate Form by notifying the Housing Office of departure, turn in keys and be checked out by a Housing Office representative. The common areas, as well as the bathroom and bedroom, should be left in a neat and orderly condition. It is understood and agreed that tenants' failure to follow the prescribed check-out procedures and/or return all keys to the landlord will be charged $75.00 for improper check-out plus the cost to replace keys. This may result in the partial or full forfeiture of the posted security deposit.

Eligible applicants must have completed four (4) semesters of study, have a minimum of fifty-five (55) hours and a cumulative GPA of 2.30 or above. The applicant must be a graduate student, a veterinary medicine student, or be at least 24 years of age. Pets, children and opposite sex living are not allowed. Eligible applicants must not have any disciplinary issues from residential living or judicial sanctions active or pending.

Application Procedures

Continuing students must pay the required room security deposit. (See updated University fee sheet.)
RESIDENCE LIFE and DEVELOPMENT

The Department of Residence Life and Development is responsible for the administration and general management of all campus-based student residential living facilities and programs.

The Department of Residence Life and Development at Tuskegee University is charged with meeting the needs of college students in all residence halls. The student residence hall program is an integral part of Tuskegee University’s overall education mission. With knowledge of the development and academic needs of students, the department seeks to provide an environment supported by responsive and well-trained professional and student staff members who are committed to helping students develop and mature as they pursue academic achievement. The individual growth and learning that occur in the residence hall and in on-campus living through staff, programs and facilities enhance the mission of the University.

The overall goal of facilitating individual student development is achieved through programs, activities and services offered to and provided for students; the results of which are evident through short-term and long-term growth.

Residence halls are open for occupancy during the regular academic year, except when temporarily closed for the Christmas Break. Only selected halls are open during the Summer Session based on summer enrollment housing demand. The opening and closing dates for residence halls are published on the University calendar. Students arriving before the official residential hall opening dates are responsible for making their own living accommodations.

Eligibility

The University requires freshman and sophomore students (those with less than 60 credit hours) and first-year transfer students to live on campus. Students classified as such will be automatically charged room and board for the entire academic year. Juniors, seniors and graduate students may elect to live in other University housing (i.e., University Commons or University Apartments)

To be eligible for campus housing, a student must be accepted to the University and enrolled for a minimum of 12 undergraduate semester hours or 6 graduate hours.

Married and part-time students must request special permission to reside on campus.

Application Procedure

A required non-refundable new student enrollment fee (see updated university fee sheet) must accompany an application for campus housing. Continuing students must pay the required room
security deposit (see updated university fee sheet), which is refundable. Room deposits for returning students are due by May 1 for the Fall Semester and by November 15 for the Spring Semester. Application forms are available in the Housing Office.

Rooms are assigned on a first-come, first-served basis. Mutual roommate requests will be given every consideration, but these requests cannot be guaranteed. The Housing Office reserves the right to make housing assignments in accordance with the availability of rooms and the security of occupants. There are no medical exemptions.

**Occupancy Period**

Fall assignments cover the full academic year (two semesters), while Spring assignments cover one semester. Residents may not sublet an assigned room.

The University assumes no responsibility for theft, destruction or loss of personal property or any other property in the custody of a student. Students are required to carry rental property insurance, which is available to all students residing in university housing at a nominal fee.

To maintain eligibility for campus housing, students must meet all academic and behavioral standards prescribed by the University. Students who cease attending classes and/or who are required to withdraw from the University must vacate university housing within 24 hours. Exceptions may be granted by the Vice President for Student Affairs and Enrollment Management.

**Room Changes/Consolidations**

The Office of Residence Life and Development (Residence Halls) or the Office of Housing (Student Apartments) shall require a student to change rooms immediately for health, interpersonal, psychological, disciplinary or other appropriate reasons.

Residents who change rooms without authorization will be fined $100.00 and required to return to their original assignment.

Consolidation - When one student lives in a double occupancy room and is required to move to another room with a roommate or have a roommate move into his/her existing room, therefore creating a true double occupancy situation.

The University reserves the right to declare a Consolidation Period. The start date for this period will be determined by the "last day for students to register" per semester calendar. During this period, all students who have requested double occupancy accommodations, and for some reason are without a roommate, will be reassigned in order to fulfill the double occupancy requirement. However, if consolidation requires a student to move to another residence hall, the student will incur no additional charges. During consolidation, single room assignments will be granted only if
rooms are available and approved by the Director of Residence Life and the Housing Director. The student must be able to pay the required single room change immediately (no charging to the student's account will be allowed).

At the time of consolidation, a resident desiring to remain in a single room will be required to pay the Cashier an amount of $500.00 and present the receipt to the Office of Residence Life and Development within 72 hours. If the receipt is not presented to the Office of Residence Life and Development, it is the responsibility of the student to move to his/her newly assigned room within the same 72-hour period. At the end of this period, the lock will be changed on his/her existing room, therefore not permitting entrance. At this time, he/she will be assessed $200.00 to enter and remove his/her belongings. It is the sole responsibility of the student to adhere to this process.

Central Residence Hall Judiciary Board

Four students and three residence hall director/counselors comprise the Central Residence Hall Judiciary Board. The director/counselors are appointed by the Director of Residence Life and Development, and the students are selected from a pool of applicants recommended by a screening committee named by the Director of Residence Life and Development.

Student applicants for service on the Hall Judiciary Board must reside in the residence halls, maintain a 2.00 academic average, and must not have been involved in violation of the Codes of Conduct. The Central Residence Hall Judiciary Board commences operation during the third week of the Fall Semester and is dissolved at the end of the Spring Semester. A separate Residence Hall Judiciary Board may be organized for the Summer Session, at the discretion of the Director of Residence Life and Development. The Board hears behavioral, personal property or damage complaints as they relate to violation of residence hall regulations.

Discipline

In extreme cases where a resident has repeated, documented offenses that threaten the safety and welfare of other residents, Residence Life Staff and/or the Residence Hall itself, the Central Residence Hall Judiciary Board (CRHJB) reserves the right to request that a resident be suspended from the Residence Hall for the remainder of the semester. Since students with less than 60 credits are required to live in the residence hall, the suspension will extend through the end of the offending semester. The resident has 24 hours after notification to vacate the assigned room and return the keys to the Office of Residence Life and Development. If keys are not returned, the student will be charged with theft of University property. NOTE: Room and Board fees are non-refundable.
A resident who has received such an eviction may appeal the decision of the CRHJB to the Director of Residence Life and Development or his/her designee within 48 hours of the decision. Upon receipt of an appeal, the Director of Residence Life and Development, or his/her designee, will review the decision of the Central Residence Hall Judicial Board along with the records and documents presented in the case before rendering a decision. The decision of the Director of Residence Life and Development is final.

Residence Hall/University Housing Suspension

Separation of the student from the residence hall or any University housing for a definite period of time after which the student is eligible to reapply for housing. Conditions for readmission may be specified at the time of the suspension or at the time of application for readmission. NOTE: If a student is suspended from University housing, he/she must make other housing arrangements off campus. He or she is not permitted to live with or “squat” with another student living on campus. Both students can and will be penalized to the fullest extent for this infraction.

Squat - To settle on public or private property without right or title.

Roommate Conflict

In the event roommates have a conflict which cannot be resolved via counseling by their Residence Hall Director/Counselor, the occupants will be separated and each reassigned to another double occupancy room. Based upon availability, the room may or may not be in the same residence hall.

Checking In and Out

Residents will receive a key only after presenting a room assignment card issued by the Housing Office and all residents must be financially cleared (paid in full).

Residents are required to inventory the contents and condition of their assigned room using both the Inventory Form and Room Condition Form issued in the Office of Residence Life. The Inventory Form should be returned to the Residence Hall Director at the time of check-in. This form shall also be used to list all electronics, video games, computer equipment (model and serial number), and valuables for insurance purposes. If other items are acquired after initial check-in, each student is individually responsible for updating this form with the hall director. Failure to complete this form by the designated date could result in a $100.00 charge.

The Room Condition Form, which is filed in the Office of Residence Life and Development, is completed at the time of check-in to alert the staff to minor maintenance conditions in the room that require attention at the time of move in. This same form will be used for checkout. Failure to
complete the checkout procedure will result in a $25.00 charge. Additional fees to be charged to clean rooms left untidy will be determined during checkout.

**Student Responsibilities**

**Community Fines**

Community fines will be imposed when, in the common areas of the Residence Hall, it cannot be determined who caused losses or damages or who performed acts that compromised the health and/or safety of the residents. Such damages, losses and acts include, but are not limited to, damages to floors, walls, light fixtures, doors, windows, ceilings, stairwells, appliances, fixtures, furnishings, plumbing or electrical wiring damage. Other damages may include improper disposal and use of personal items in restroom areas; failure to use proper receptacles for disposal of bodily waste in restrooms and the misuse of sinks, floors and showers. Also included are vandalism and improper disposal of garbage as it relates to the exterior of the building.

The cost assessed for damages, losses and actions that compromise the health and/or safety of others such as labor, material costs, cleaning and supplies will be prorated as deemed appropriate by the University among each user of that common area. Each occupant will be subjected to a maximum fine of $100.00 for each offense as assessed by the Director of Residence Life or designee including, but not limited to, the following:

- A lost key must be reported immediately to the Residence Hall Director/Counselor. The student will then be given a key replacement form which is filled out by the hall director to take to cashier and pay $85.00. The cashier will then give the student a receipt in duplicate. The student must then return the replacement slip, along with a copy of the receipt of the Hall Director/Counselor for issuance of a replacement key.

- Keys should be turned in to the Office of Residence Life at the end of the Spring Semester. For those students who will not be returning in the Spring, keys must be turned in at the end of the first semester. Failure to turn keys in shall result in a fine of $170.00. Students are encouraged to remove valuables from their rooms during each official school break. The University assumes no liability for the theft of student property.

- Permanently and fixed furniture cannot be moved. NOTE: If any student is identified as having damaged residence hall property (i.e., light fixtures, furniture, emergency exit doors, etc.) such student(s) shall be fined and referred to the Judicial Board with the possibility of interim suspension. (See Interim Suspension Judicial Affairs section.)
• Students should not use devices which leave permanent marks when attaching objects to walls, windows, doors or ceilings (nails, screws, staples, thumb tacks, double-sided tape, and the like). Damages resulting from the use of such items will be assessed and fined to the resident(s).

• The use of incense, kerosene lamps, candles, or any other device(s) or materials that produce an open flame or noxious odor is prohibited in the residence halls.

• Pets are not permitted in the residence halls.

• Food preparation and the use of electrical cooking appliances are not permitted in residence hall rooms.

• Waterbeds, vehicles with internal combustion engines, or weightlifting equipment exceeding 30 pounds are not permitted in the residence halls.

• Residents are expected to observe quiet hours at all times (24 hours a day).

The front door is considered the main entrance to all residence halls. All other entrances are to be used only in the case of an emergency. Tampering with doors (main, side and back) locks, windows, fire hoses, alarms and fire extinguishers is prohibited. Violators could be subject to suspension from the University.

House Rules

Upon entering the Residence Hall, each student is given a sheet that lists charges for damages. Any violation of House Rules in each respective hall carries a minimum fine of $60.00 and a maximum fine of $300.00.

In the Residence Halls:

• Keep room door locked at all times, even if you are away for only a few minutes.

• Keep your keys with you! Never place keys under mats, in your mailbox or in any other "hiding place."

• If a stranger knocks on your door to solicit or if you become suspicious, immediately call the Front Desk of your hall or the Tuskegee University Police Department for assistance.

• Do not put your name and address on your key ring.

• If you return to your room and suspect it has been illegally entered, immediately inform your hall director and/or the Tuskegee University Police Department. Do not touch or move anything until the police arrive.
If you notice a suspicious person in any public area of your hall, (corridors, laundry rooms, etc.), notify the Front Desk immediately. Do not confront strangers.

In an emergency, shout "HELP," "POLICE," or "FIRE."

Certain violations of the Codes of Conduct are subject to fines in addition to other appropriate sanctions.

"Crime Alerts" from the Tuskegee University Police Department are posted in residence halls as necessary. Check the hall bulletin boards regularly for up-to-date security information and incident reports.

Note: Tuskegee University is not responsible for any personal property in the residence halls. Students are required to purchase personal property insurance that is made available through the university.

**Residence Theft or Fire**

In the unfortunate event you suffer property loss due to theft and fire accidents follow the procedure below:

- Notify Tuskegee University Campus Safety immediately. They may be reached at 334-727-8757.

- Inform your Residence Hall Director/Counselor or Resident Assistant. (If no one is on duty at that time call, the Residence Life on-call number at 334-552-1166.)

- You will need to complete an incident report with Residence Life and Development. You will be asked to describe the item(s) that was lost and to give a detailed account of how it came to be lost. Any information you can provide will be helpful in recovering your items (Attempt to Answer “The 5 W-H Questions” for the report--Who, What When, Where, Why, and How).

- Your residence hall director will provide you with an insurance pamphlet and an insurance claim form. Insurance is included in your Room and Board charges for the year. Your Residence Hall Director will contact the Business Office and retrieve your policy number to include on the claim form.

- Lastly, Tuskegee University Campus Safety will request a copy of your belongings list (inventory form) you were required to complete when you checked into the residence hall. (It is highly recommended that you keep this list current and updated with your Hall Director.)
Telephone Service

Local telephone service is provided in each room. However, a student must provide the telephone and make arrangements for long distance service.

Students found guilty of tampering with and/or destroying telephone equipment or the unauthorized use of telephone calling cards, risk, in addition to university sanction, federal and/or state criminal prosecution.

Internet service is provided, as well. Students must provide their own computer equipment and Ethernet cords, to plug into the Internet outlets.

Telephone Service for Resident Students

Incoming collect calls are not permitted because they are billed to the University, not to the individual phone number. Be especially wary of collect calls from prisons.

Any use of the campus telephone system to annoy or harass others, either on or off the campus, will be vigorously investigated and prosecuted under the campus judicial system or local laws. Any use of the campus telephone system with the intent to defraud or to avoid payment for service will be investigated and prosecuted under the campus judicial system or under the Alabama Theft of Services law.

Visitation

The Director of Residence Life and Development or his/her designee must authorize requests to accommodate overnight guests in a student's room. Such requests must have the approval of the requesting student's roommate. Overnight guests are limited to a maximum of three (3) nights.

Visitation from members of the opposite sex to resident halls is strictly limited to public visitation areas with the exception of co-educational halls. Residents may entertain guests of the opposite sex in the residence hall lounge or lobby, Sunday through Thursday from 4:00 p.m. to 11:00 p.m. and from 4:00 p.m. to 11:30 p.m. on Friday and Saturday. Loitering in and around residence halls after 11:30 p.m. is prohibited.

There is no visitation on Wednesday, which is designated as a campus-wide study night. Some residence halls may also adopt additional study nights that must be honored by visitors. Parents of the same sex may visit a student's room at any time. Parents of the opposite sex, however, must have permission of the residence hall staff to visit a student's room. Parents are also asked to sign a visitor's log before visiting a student's room.
Persons who elect not to cooperate with the security measures will be cited by the Tuskegee University Police Department for non-compliance and may be removed from the campus.

Residents are responsible for the conduct of their guests at all times.

The Tuskegee University Police Department will insure that entrance doors to residence halls are securely locked after the 11:00 p.m. weekday and 11:30 p.m. weekend curfew, and the area surrounding the residence hall is clear of pedestrian and vehicular traffic.

**Penalties for Violation(s) of Visitation Guidelines**

The following penalties and sanctions shall be imposed upon students charged with violation of the visitation policy, or unauthorized presence in a residence hall. Students are expected to comply with all rules and regulations pertaining to residence halls.

If a visitor gives false identification, refuses to show a valid ID card, or is a non-student; the resident will be held responsible for his/her visitor's fine.

**Penalties and Sanctions are as follows:**

- **First Offense:** $100.00 fine plus 40 disciplinary work hours
- **Second Offense:** $200 fine plus 80 disciplinary work hours
- **Third Offense:** Immediate suspension for not less than one (1) semester and not more than one academic year

**Room and Property Inspection**

For safety and health reasons, Residence Life and Development staff members, as well as Campus Safety and Security personnel, are allowed to inspect rooms and property to ensure that the health or safety of students and the campus are not being compromised in any way.

1. Luggage and/or other personal property may be inspected prior to being admitted to the residence hall.

2. In addition to scheduled room inspections, Tuskegee University reserves the right to inspect rooms at any time. All inspections will be conducted in the presence of Residence Life and Development officials.

3. A student's room may also be searched by Tuskegee University Police Department personnel with the approval of the Dean of Students for reasons of probable cause. The University will also honor search warrants issued by civil law enforcement officials.
Smoking Policy

Tuskegee University is a smoke-free campus. Smoking is not allowed in any residence hall or other campus building.

Alcoholic Beverages and Drugs

The possession or consumption of alcoholic beverages is strictly prohibited on University property or at any student-sponsored event. The possession, use or distribution of narcotics or other illegal drugs is also prohibited.

Students are neither allowed to display paraphernalia related to the use of narcotics nor permitted to display in residence hall rooms empty containers of alcoholic beverages.

Policy Regarding Animals on Campus

No animals (dogs, cats, snakes, etc.) may be brought onto the University property, except for those engaged in the research and/or clinical programs in the College of Veterinary Medicine, Nursing and Allied Health or the College of Agriculture, Environment and Nutrition Sciences.

University affiliated violators will be subject to disciplinary action. Non-university personnel found in violation will be subject to immediate trespass from the campus.

This policy applies to ALL BUILDINGS and GROUNDS owned by the University.

Improper disposal of garbage

The University reserves the right to assess community fines for the improper disposal of garbage. This includes: throwing garbage out of windows, leaving garbage on stairs, in bathroom or in any unauthorized area.

JUDICIAL AFFAIRS

Tuskegee University Judicial System and the Codes of Conduct

Tuskegee University reserves the right to take necessary and appropriate action to protect the mission of the University or the safety of its members. This may include taking disciplinary action against students whose behavior off University premises or between academic periods violates
University ordinances and regulations, federal, state, or local laws; or which materially and adversely affects the individual’s suitability as a member of the campus community.

If a student breaks a law that also violates University standards or conduct, the student may be held accountable by both external authorities and the University. The University may at its sole discretion elect to pursue disciplinary action against the student either before, during or after administrative, civil or criminal proceedings that arise out of the same or other events and shall not be subject to challenge on the ground that external charges involving the same incident have been dismissed, reduced or pending.

University Judicial System (UJS) and the Codes of Conduct (COC) have as an underlying principle the assumption that each student is responsible for maintaining acceptable, ethical, moral and social behavior at Tuskegee University. This section outlines and discusses the primary purpose, procedures, student rights, penalties, and key terms or reference of the UJS and Codes of Conduct.

Standards and procedures have been established by the University to protect its educational purpose, to provide for the orderly conduct of its activities, to protect the victims of crime, and to safeguard the interests of the university community. These disciplinary procedures used by the University are considered part of its educational process and reflect the philosophy of promoting responsible citizenship. Hearings and appeals conducted as part of this process are not courts of law. The University Judicial System is not intended to simulate courts of law. The Boards are not subject to many of the rules of civil or criminal hearings. Because some of the violations of these standards are also violations of law, students may be accountable to both civil authorities and to the University for their actions. Disciplinary action at the University will normally proceed, notwithstanding any civil or criminal proceeding. The process is intended to give a student notice of charges filed against him/her and an opportunity to be heard as it concerns the charges.

A registered student agrees to conform to university rules, regulations, and policies, and is subject to disciplinary action upon violation of any part of the Codes of Conduct. Inappropriate conduct, on or off University premises, for which disciplinary action may be taken, includes, but is not limited to:

**Codes of Conduct Violations**

5. Violation of the security of university buildings and/or the security of occupants in residence halls and other living areas. **Tuskegee University's Policy of the Possession and Use of Firearms on Campus**

**Statement Update**

Firearms, as referred to in this statement update, mean any hand guns, including recreation pistols, stun guns or pellet pistols, air guns, or BB pistols, and the like; as well as game and toy rifles, skeet, water gun, and BB rifles, and other such classes or weaponry as might be classified as firearms of any caliber with the potential to inflict injury.

Tuskegee University prohibits the possession, discharging or storage of firearms on campus by students. The policy is specifically stated in such University publications as the Student Handbook, Fire Safety and Security Manual, and the Residence Hall Handbook. It is restated here as an urgent announcement in continuing support of both the general welfare of campus constituent groups, and for the personal safety of all persons employed, studying, or visiting the campus.

This policy will be strictly enforced. Violators will receive summary disciplinary actions and sanctions, which may result in termination of employment, expulsion from the University, denials of request to visit the campus, or undergo criminal process by civilian authorities.

**Policy Statement on Discrimination and Harassment including Sexual Harassment**

It is the policy of Tuskegee University to provide an educational and employment environment free from all forms of intimidation, hostility, offensive behavior and discrimination, including sexual harassment. Such behavior or tolerance of such behavior, on the part of an administrator, supervisor, faculty or staff member violates the policy of the University and may result in disciplinary action, including termination. The conduct herein described is contrary to University policy and may be illegal under both State and federal laws.

The United States Equal Opportunity Commission defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonable interference with an individual's work performance or creating an intimidating, hostile, or offensive working environment.
Each chairperson, supervisor, unit head or manager is responsible for making sure all students and employees within his or her area of responsibility are aware of this policy, for ensuring that personnel decisions are in accordance with this policy, and for initiating corrective actions (upon consultation with the Offices of the Provost, Vice President for Student Affairs and Enrollment Management or Human Resources Management, as appropriate).

An employee (including a student employee), who believes that he or she has been subject to discrimination or harassment, should report the conduct to his or her immediate supervisor and, in the event the supervisor is the aggrieving party, to the next higher responsible party. If necessary, the employee grievance procedure should be utilized.

A student who believes that he or she has been discriminated against or harassed should report the conduct to the chairperson of the department to which the instructor is assigned; and, if the chairperson is the aggrieving party, to the dean of the college in which he or she is enrolled, following the organizational line of subordinate and supervisory authority.

This policy applies to ALL BUILDINGS and GROUNDS owned by the University.

Codes of Rights and Responsibilities

The University recognizes and supports the individual worth and dignity of each student as a human being, along with the rights and responsibilities of achieving the greatest potential in the pursuit of academic and moral excellence, professional development and life of meaning. To such ends:

3. Students have a right to request a hearing or "due process", as described under the judicial/hearing proceedings of the Student Handbook.

4. Students have the right to the guarantees or protections of freedoms and privacy in federal and state constitutions, local ordinances or university policies.

STRUCTURES AND PROCESS OF THE UNIVERSITY JUDICIAL SYSTEM

The University Judicial System (UJS) is specifically designed to serve and safeguard the vital interests of the University community, students, faculty, administration and staff, in the conduct of work, living and leisure.

Judicial Hearing Boards

The University's Judicial System includes these hearing boards:

1. Central Residence Hall Judiciary Board (See section on Residence Life and Development.)

2. University Hearing Board

University Hearing Board

The University Hearing Board shall be comprised of at least five (5) and not more than seven (7) members. Membership shall include faculty, staff and one (1) student representative selected by the Judicial Officer and approved by Dean of Students. The University Hearing Board exercises jurisdiction over any violation of Codes of Conduct. The Student Judicial Advisor is an ex-officio member of the board.

Board Members may be appointed to serve successive years. A quorum of the board shall consist of five (5) members, one of whom must be a student. The Board is automatically dissolved at the end of the Summer Session, unless actively involved in a student judicial matter.

Decisions of the University Hearing Board must be appealed to the Judicial Appeals Board (JAB) within seven (7) calendar days after receipt of notice of the decision.

Initiation of Judicial Proceedings

Judicial proceedings against students shall proceed according to the following general rules and guidelines:

1. Any member of the University community may file charges against any student for misconduct or for violation of the Codes of Conduct. The initial complaint should be directed either to the Dean of Students or to the Office of Campus Safety and Security. A complaint should be
submitted as soon as possible after the incident occurs. The Dean of Students shall deliver to the Judicial Affairs Officer each such complaint for processing.

2. The Judicial Affairs Officer processes all complaints filed against University students. The Judicial Affairs Officer may conduct, or cause to be conducted, an investigation to determine if the complaint has merit and/or if the complaint can be disposed of administratively or by mutual consent of the parties involved on a basis acceptable to the Judicial Affairs Officer. Such administrative disposition shall be final and there shall be no subsequent proceedings.

3. The Judicial Affairs Officer, in processing a complaint, may conduct, or cause to be conducted, investigations to assist in the determination of whether grounds exist to formally charge a student with violation of the Codes of Conduct, Residence hall violations or other University charges. Upon consultation with the Dean of Students, the Judicial Affairs Officer is authorized to file charges against a student or dismiss charges brought against a student based on the reported evidence received.

4. Charges shall be presented to the accused student in writing. For charges requiring hearing before the Judicial Board, a time shall be set not less than three (3) days or more than ten (10) working days after the student has been notified. Maximum time limits for scheduling of hearing may be extended by the discretion of the Judicial Affairs Officer.

5. In all cases, evidence in support of the charges shall be presented and considered. Thus, if a student fails to appear before a judicial body, the hearing shall proceed nonetheless and a determination and recommendation will be made.

**Procedure for Notifying of Judicial Proceedings**

The student is notified in writing at least 72 hours prior to a hearing in connection with the case. Notification will include a statement of charge(s), time and place of hearing, and the body before which the student is to appear.

- The accused student must appear in person at the hearing to which he or she is summoned, unless permission to be absent is otherwise granted by the Judicial Affairs Officer. Requests for postponement of a hearing, or permission not to attend, must be in writing and must be made at least 48 hours prior to the hearing. An accused student who fails to honor a summons to appear at a hearing and who has not been granted permission to be absent may be charged with contempt of the judiciary.

- The accused student has seven (7) calendar days to appeal the decision of any judicial hearing board. The Dean of Students is responsible for notifying the accused of the decision of the University Hearing Board.
The Hearing Procedure

Many disciplinary matters are decided among the accused, the accuser, and the University Hearing Board. Hearings shall be conducted by a judicial body according to the following guidelines:

1. The accuser and the accused shall have the privilege of presenting witnesses subject to the right of cross-examination by the judicial body. Both the accuser and the accused have the right to cross-examine a witness.

2. Hearings shall be closed and the contents of such hearings are confidential in nature. There shall be a single verbatim record, such as a tape recording, of all hearings. The record shall be the property of the University.

3. Allowing the presence of any person at the hearing shall be at the discretion of the chairperson of the judicial body and the Judicial Affairs Officer.

4. In hearings involving more than one accused student, the chairperson of the judicial body, at his or her discretion, may permit the hearings concerning each student to be conducted separately.

5. Upon the chairperson calling the board to order, the chairperson will state the purpose of the hearing and read the charges brought against the accused.

6. The accused is asked to state his/her plea of “in violation” or “not in violation”.

7. In instances where an individual chooses to be represented by an attorney, it shall be at his/her own expense. If an attorney will represent the student, the Dean of Students must receive a letter of representation not later than 24 hours prior to the scheduled hearing. In an instance where the accuser is the University, the appropriate University officer or employee shall present the University's case and shall offer evidence that may include written testimony and witnesses in support of the charge.

8. Pertinent records, exhibits and written statements may be accepted as evidence for consideration by a judicial body at the discretion of the chairperson and the Judicial Affairs Officer. Documents, which either party
may intend to use at the hearing, shall be delivered to the Judicial Officer no later than twenty-four (24) hours before the hearing.

9. All procedural and evidentiary issues shall be determined by the chairperson of the judicial body and the Judicial Affairs Officer.

10. After the hearing, the judicial body shall deliberate and determine by majority vote whether the student has violated any section of the Codes of Conduct that the student is charged with violating.

11. The judicial body's determination shall be made on the basis of whether it is more likely than not that the accused student violated the Codes of Conduct.

12. The judicial body's determination, as to the accused being in violation or not, and its recommendations as to sanctions or punishments, shall be delivered directly to the Dean of Students. The judicial body may recommend sanctions; it does not set or impose sanctions. The Dean of Students sets and imposes sanctions in student disciplinary matters.

13. Within three (3) working days of the judicial body's determination and recommendation, the Dean of Students shall deliver to the accused and the accuser a "Notice of Determination," "Notice of Sanction," and "Notice of Right to Appeal." The Dean of Students sets sanctions in student disciplinary matters.

Judicial Appeals Board and Process

Students can appeal the decision of any judicial hearing. An appeal may be filed, “if and only if a university policy or a university regulation has been violated, or the student’s due process rights have been violated.”

Section 1: Judicial Appeals Board Review and Membership

1. The Vice President for Student Affairs and Enrollment Management appoints a Judicial Appeals Board to review the verbatim record and sanctions. The decision of the Judicial Appeals Board shall be final.

2. The Judicial Appeals Board shall be comprised of at least four (4) and not more than six (6) members. Membership shall include faculty, staff and one (1) student representative selected by the Judicial Officer and approved by the Vice President for Student Affairs and Enrollment Management. The
chair of the Judicial Appeals Board shall be a representative from the Office of the University Counsel.

**Section 2: Basis upon which an Appeal May be Considered**

An appeal may be made for one or more of the following purposes:

1. To determine whether the original hearing was conducted in conformity with the prescribed procedures of the Student Code. Minor deviations from the designated procedures will not form the basis for sustaining an appeal unless it is determined that such deviation resulted in significant prejudice. For any substantial deviations from designated procedures, the appeals officer, i.e., University Counsel, may at his or her discretion remand the matter for reconsideration.

2. To present new evidence that could not reasonably be made available at the time of the original hearing. Such cases, at the discretion of the appeals officer, may be remanded back to the appropriate hearing format for reconsideration in light of new evidence.

3. To determine whether the sanction imposed was appropriate to the violation with which the respondent student or student organization was charged.

**Section 3: Appeal Procedures**

1. The respondent student or student organization, or the complainant, may appeal any decision reached as a result of a University Hearing Board or administrative hearing.

2. All appeals must be made in the form of filing a letter of appeal within seven (7) business days of the date on the decision letter. The letter of appeal must be personally signed by the student. Respondents should address the appeal letter to the Judicial Appeals Board, and submit the letter of appeal to the Judicial Officer within seven (7) calendar days after the initial hearing. The Judicial Affairs Officer will forward the appeal letter and supporting documentation, including the student’s file, to the Vice President for Student Affairs and Enrollment Management, who will submit this information to the Judicial Appeals Board. The chair of the Judicial Appeals Board will be responsible for contacting the student(s)/organization(s) requesting an appeal. The complainant or respondent shall be contacted and
invited to present in person his/her appeal to the Judicial Appeals Board, after submitting the written appeal. Such presentation shall be limited to no more than forty-five (45) minutes.

3. The Chair of the Judicial Appeals Board will inform the student(s)/organization(s) of the Board’s final decision. This information will also be copied to the Vice President for Student Affairs and Enrollment Management, the Dean of Students and the Judicial Officer.

**Section 4: Sanction Reduction**

1. In keeping with the education mission of Tuskegee University, the Office of the Vice President for Student Affairs and Enrollment Management will accept requests for sanction reduction. These requests are available to all students and student organizations after one calendar year of the date sanction was assigned as a judicial sanction.

2. A three-person panel, consisting of the Dean of Students and two students from the Student Judicial Board, will hear all requests. Requests should be submitted in writing to the Judicial Affairs Officer, along with one letter of recommendation from a member of the Tuskegee University community.

3. The student or student organization must prove to the panel’s satisfaction that he/she/it has developed increased self-discipline as a result of the sanction period and can contribute to the University community through increased involvement opportunities. The request should demonstrate significant contributions, both of an academic and co-curricular nature, to the panel.

4. The Dean of Students will inform the student or student organization of the panel’s decision. This information will also be copied to the Vice President for Student Affairs and Enrollment Management and the Judicial Officer.

The Judicial System of Tuskegee University is regulated by confidentiality requirements of the Family Education Rights and Privacy Act of 1974 as amended. The unauthorized disclosure of the student's confidential information is prohibited under this act.

Probation - Probationary status is warranted when violation of University regulations has occurred and a sanction stronger than reprimand, but not as stringent as suspension or expulsion, is appropriate. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any University regulations during the probationary period. The student who is on probation will be considered not in good standing and may also be subjected to one or more of the following restrictions and conditions during the period of probation:

emotional safety and well-being or the safety and well-being of a member of the University community. Alternatively, in certain circumstances, the Dean of Students may impose an immediate interim suspension prior to a hearing before a judicial body on the merits of the violation of the Codes of Conduct. Interim suspension may be imposed against a student who is charged with a capital offense, or other offense of a kind or nature, which involved interference with the educational process or interference with the orderly operation of the University. Additionally, interim suspension may be imposed to ensure the health, property, safety or well-being of members of the University community; to ensure the student's own physical or emotional safety and well-being; or, if the student poses a threat of disruption of or interference with the normal operations of the University. During the interim suspension, the accused student shall vacate the residence hall and University property and shall be allowed on University property only for the purpose of appearing before various University officials and hearing boards. **Dress Code Policy for Students**

The purpose of this policy is to provide the students with general dress code parameters. It is not intended to be overly prescriptive but is designed to ensure decorum appropriate to a university environment.

The following guidelines are established:

- Dress standards at Tuskegee University require that students are dressed in good taste at all times.
- Students are not permitted to wear sleepwear outside of the residence halls.

- Any style of dress which distracts or takes away from the teaching/learning process in the classroom will not be permitted.
- Students are expected to dress in a neat manner and make the appropriate selections for the time, occasion and place.

Questions or disputes about the appropriateness of a particular mode of dress for the time, occasion or place should be referred to the Dean of Students.
The primary mission of Tuskegee University's Career Development and Placement Services Center is to facilitate the professional and personal aspirations of students for internship, cooperative education, full-time employment or admission to graduate/professional schools. The Career Development and Placement Services Center is the responsible campus unit for teaching students' self-assessment and career planning skills. STUDENT HEALTH SERVICES

The Tuskegee University Student Health Services, a unit of the Division of Student Affairs, provides Health Care and Education to all enrolled students in accordance with the institutional mission and philosophy.

Clinical Services

Student Health Services provides students with quality primary health care, and encourages the use of preventive methods through health education and counseling. The health services are easily accessible and geared to the unique health needs and concerns of the students. The students are seen on a walk-in basis on the same day. Students must be registered and present a Student ID card for services.

Health Education

Promoting healthy lifestyle choices and behaviors, which prevent illness through year-around educational programs and individual health counseling.

Health Insurance Plan

The Tuskegee University Student Health Insurance Plan is provided by Aetna Student Health for all registered students. Students are required to enroll in this program, which will be included in your tuition fee bill. Insured students are covered 24 hours per day, on and off campus, at home or abroad, while traveling between home and school and during vacation periods with the exception of international students while in their home country. This coverage is described in detail in a brochure that may be obtained at the Student Health Center or by visiting www.aetnastudenthealth.com.

Any expenses incurred that are not covered by this insurance plan are the sole responsibility of the student. Students should carry their Medical Insurance Identification card with them at all times. Students must pick up their health insurance cards from the Student Health Center when they are issued. They will be required to show their student ID card before receiving the cards.
Charges and Billing

Students are billed for chargeable services they receive at the Student Health Center. While the Center does not file insurance claims for students, the staff may assist students with filing claims for services received at the Student Health Center. Students who are billed by the Bursar will receive an itemized statement listing the medical services provided.

Health Information Requirements

All students enrolling at Tuskegee University for the first time, as per the Alabama Department Public Health guidelines, are required to complete and submit the Health Profile Form with proof of immunizations and a recent TB skin test. Students are to obtain the Health Clearance before completing the registration process. The Health Profile Form should provide medical history and significant medical conditions and recommendations by the student's personal physician.

Referral Services and Transportation

Referral services are provided, if indicated, to most of the area hospitals, medical specialists, clinics and other health facilities through a “referral network.” Tuskegee University provides free non-medical transportation to assist students, who are referred to the hospital, specialists, clinics and medical facilities. The Health Services staff assists in making arrangements, and the University will provide return transportation service for students who have been transported. To make transportation arrangements for scheduled medical appointments, students must call the Student Health Center at 334-727-8641 at least 48-72 hours in advance.
Medical Excuse Policy

Medical Excuses will be issued only for the time spent at the Student Health Center. An extended excuse from classes will be given only in case of serious medical illnesses, as determined by the physicians and the Director of Health Services.

DEAN of STUDENTS

The Dean of Students serves as a liaison between students, the administration and the community. He or she has the responsibility to promote and be present, when needed, at extracurricular activities and to provide assistance with the implementation and supervision of such programs. The Dean works with student groups, student affairs staff and others to develop extracurricular activities for students.

The role of the Dean of Students ranges anywhere from assisting students with problems registering to being a problem solver, surrogate parent, listener, and dealing with violators of the Campus Codes of Conduct. The Dean must be fair, compassionate, understanding, a good administrator, and interact well with students and their parents.

The Dean of Students is expected to promote a campus climate that supports the intellectual, social, psychological, cultural and physical development of all students and strive to provide quality programs and services for students that enhance and enrich their collegiate experience. The Dean of Students serves as an advocate for all students.

STUDENT LIFE and DEVELOPMENT

A comprehensive program of educational, civic, cultural, social and recreational activities may keep the Tuskegee University student busy before, between, and after classes. The seminars, workshops, dialogue sessions, theatrical productions, concerts, movies and games coordinated by Student Life and Development are viewed as an intricate part of the Tuskegee Experience.
Student elections, intramural sports, a closed circuit broadcast station, and a weekly movie schedule are among the range of activities coordinated through the Student Life and Development Center. The Miss Tuskegee University Gala, the Spring Pageant, the annual Homecoming Parade, and the Honda Campus All-Star Challenge competition are highlights of the Student Life and Development Program.

The Director of Student Life and Development and staff serve as the University's liaisons for the more than 100 registered student organizations--honor societies, religious organizations, Greek Letter, service, and professional organizations, and State clubs among them.

**Student Government Association/Student Organizations**

The Student Government Association (SGA) is the official representative body of the students. All enrolled students are automatically members of the Student Government Association.

Officers of the SGA are elected by the student body that includes the following: President; Vice President; Judicial Advisor; Treasurer; Student Coordinator; five (5) Senators-At-Large; and five (5) Judicial Board Members. Officers of the SGA serve for one year. The vice president of the Student Government Association serves as president of the Student Senate, which includes representatives from all registered student organizations, the residence halls, and class officers.

All positions appointed by the president of Student Government Association (SGA) must have and maintain a cumulative GPA of 2.00 in order to serve in appointed positions.

All class officers must have a cumulative GPA of 2.00, and the required classification hours in order to be appointed by the SGA President or Student Senate.

The Vice President for Student Affairs and Enrollment Management, through the Director of Student Life and Development, advises the SGA.

**Student Media**

Student media is an important part of student life, acting as a responsible platform for dialogue concerning student-centered events and issues. These media include: the Campus Digest newspaper, TUTV and the Tuskeana
Yearbook. While the bulk of the work is executed by students who submit their own editorial and programming ideas, the Office of Communications, Public Relations and Marketing has final approval of all productions. This role as advisor is not meant to censor student work, but rather act as a responsible, professional steward to ensure that the five tenets of news are present: newsworthiness, timeliness, significance, prominence and proximity. The Office also advises against any matters that may be libelous or slanderous.

Any media intended for student publications and airing must be released through the Office of Communications, Public Relations and Marketing.

The Office of Communications, Public Relations and Marketing disseminates a separate policy and procedure manual that students must agree to follow before joining the staff of any student media outlet. Advisors, as well as students in these media, seek the counsel and follow the rules of the Black College Communication Association, the Associated Press and the Student Press Law Center.

**The Campus Digest**

The Campus Digest is the official student newspaper of Tuskegee University. It provides unbiased, accurate news and thought-provoking prose to its readers.

The Campus Digest is advised by the Office of Communications, Public Relations and Marketing.

**Fundraising**

Permission to participate in fundraising activities must be approved by the Director of Student Life and Development, the Vice President for Student Affairs and Enrollment Management, and the Vice President for University Advancement.

Organizations must be able to give a written account of their financial status at all times. Failure to meet financial obligations may result in sanctions or forfeiture of chartered status. The same penalty may apply for misuse of organizational funds.
Student Organizations/Registration

Some organizations serve the interest of the entire student body, while other organizations promote special civic, professional, social or academic interests. More than 100 student organizations are registered at Tuskegee University.

Student organizations must officially register by October 15 of each school year with a Vital Information Form, and the president or designee of an organization must attend one of the two Organization Liability Informational Sessions offered during the fall semester.

To charter a new campus organization, the proposed organization must file a Tentative Operational Approval Request Form, and a copy of the proposed organization's constitution or By-laws. Both forms are available in the Office of Student Life and Development where student organizations should register. Note: An organization must have at least ten (10) eligible members before tentative approval can be granted. Each member must have a 2.5 GPA in order to function as an officer in the organization.

The person(s) submitting the packet will be required to present their proposal to a panel. The panel will decide whether or not the new organization will be allowed to function on a probationary status at Tuskegee University. Organizations must function for one semester before they receive final approval of their campus charter.

Each registered student organization must have an advisor selected by the organization, which must be a member of the University faculty or staff and hold membership in the organization. Some Greek Letter organizations are given special permission for non-faculty or staff members to serve as advisors. The advisor is the liaison between the organization and the University and is required to attend ALL meetings and activities sponsored by the organization.

Organizational Membership Intake

Most organizations have nationally adopted procedures for Membership Intake. These procedures, however, must not conflict with rules and regulations outlined by the University, and the intake process must proceed only within the time frame authorized by the University. The Director of Student Life and Development, with approval by the presidents of the Pan-
Hellenic and National Service Organization Councils and the Vice President for Student Affairs and Enrollment Management, will publish the schedule for Intake activities.

The following rules apply to the Membership Intake Process:

1. After the Membership Intake Schedule has been announced, the advisors of each organization that participates in the Membership Intake Process must report to the office of Student Life and Development to pick-up and sign for the Membership Intake Packet. The Membership Intake Packet will not be released to other members of the organizations.

2. A Certification Form must be filed with the Director of Student Life and Development before the process begins.

3. Candidates for intake may not be on academic or social probation; must be officially enrolled as determined by the Registrar; and must have achieved academic classification higher than Freshman status, as determined by the Registrar.

4. Intake activities may not be conducted during regularly scheduled class hours.

Students who are enrolled at the University may not travel to other universities to complete Intake activities without the permission of the Vice President for Student Affairs and Enrollment Management.

6. Organizations may not impose financial requirements on a prospective member except for officially established initiation and membership fees.

7. The Vice President for Student Affairs and Enrollment Management must grant permission for the selection of an organization advisor who is not a member of the Tuskegee University faculty or staff. Such permission must be granted at least thirty (30) days prior to beginning of the Intake process.

**Position Statement on Hazing and Pre-Initiation Activities**

Hazing is any action taken or situation created intentionally, whether on or off campus premises, that produces mental or physical discomfort, embarrassment, harassment or ridicule. Such activities and situations may include paddling, in any form; creation of excessive fatigue; physical and/or psychological shock; engaging in public stunts and/or buffoonery; late work sessions which interfere with scholastic activities; and, any other activities which are not consistent with fraternal or sorority law, rituals or policies, or the rules, regulations or policies of Tuskegee University. Hazing has no rightful place in the sorority or fraternity system and is absolutely not tolerated at Tuskegee University. Organizations found guilty of hazing will be subject to severe sanctions and/or penalties.

Hazing as a part of the Intake process is, without exception, strictly forbidden. Violators are subject to severe disciplinary action, which may include suspension. Hazing is a violation of Alabama state law and the policies, rules, and regulations of Tuskegee University.

The University prohibits any form of hazing--physical or mental abuse--at any time before, during or after the Intake process.

Hazing specifically includes, but is not limited to:

a. Subjecting a candidate to humiliating and painful ordeals;

Organizations may not ask or allow prospective members to:

1. Damage or destroy property;
2. Participate in any activity that may disrupt regular campus activities; or
3. Participate in any activity that may reflect unfavorably upon the university or the organization.

Candidates for organizational intake are required to report incidents of hazing to the Vice President for Student Affairs and Enrollment Management, the Dean of Students, the Director of Student Life and Development, and the organization's advisor.

**Position Statement on Alcoholic Beverages**

- No alcoholic beverages should be present at any Membership Intake Program or activity of the chapter, neither on nor off campus.

- No organization or individual chapter member should permit, tolerate, encourage, or participate in "drinking games".

- With less than half of the members of the average fraternity or sorority chapter of an age to legally consume alcoholic beverages, the University advises that alcoholic beverages not be purchased through the chapter treasury nor purchased by individual members of the chapter for other members or guests.

- The fraternity or sorority, with its important responsibility for the development of its youngest members, should not permit chapter members, collectively or individually, to purchase, serve or sell alcoholic beverages to any minor (i.e., persons under legal drinking age).

**COUNSELING and TESTING CENTER**

The provision made for counseling by Tuskegee University reflects the concept of educating students for taking their place in a global society. One specific aspect of this concept is to examine value systems (academic, general, social and moral) that enable students not only to pursue careers but lead responsible lives. This translates into a search for wholesome patterns of personal and social responsibilities with philosophical and sometimes spiritual meaning. The Counseling Center is an integral part of the university setting that assists students in examining the value systems mentioned above and helps them to deal with coping and problem-solving issues that they encounter in their daily lives within the academic and/or social community.
The University Counseling Center provides personal and educational counseling free of cost to all enrolled students. Counseling is offered by professionals in an ethical, private and confidential setting. Services are available to students who want to clarify their thoughts and feelings about pressing issues; find meaningful solutions to problems; gain a deeper understanding of who they are in relationship to others and learn strategies for coping with the challenges of the academic environment. Students whose needs cannot be met by the Center staff are referred to appropriate community resources. Confidentiality is afforded to every client with the exception of “duty to warn” situations.

**Americans with Disabilities Act (ADA) 504 Accommodations Program**

The 504 Accommodations Program is in place to provide and/or assist students in acquiring the necessary resources and accommodations needed as verified through proper documentation. The Accommodations Counselor serves as a liaison between the student and faculty member to ensure that students with disabilities are afforded equal opportunities to demonstrate their academic skills and potential through reasonable and beneficial accommodations.

**Veterans Affairs**

The Veterans Affairs Counselor is available to students enrolled at Tuskegee University and serves as the liaison between students and the Department of Veterans Affairs. Counseling services are provided to address the needs and problems of Veteran Students, Dependents, Reservists and National Guard members. Documentation is required to verify eligibility for educational benefits.

**Testing Center**

The Testing Center supports the University's goal of ensuring the subject matter competence of its graduates. The Center administers several competency examinations that are required for graduation and manages the administration, analysis and interpretation of a variety of national, state, institutional and agency examinations. Students also receive pre- and post-examination counseling.
