4. All federal assistance awards are contingent upon clearance of the verification process as required by federal regulations. Failure to submit the necessary verifying documents and information required for verification by the established deadlines will result in cancellation of this award.

5. If Federal Work-Study is part of your award, you must complete the requirements for employment as indicated on the work study portal. If you do not accept the job offered, sign your contract late, or fail to work as assigned, the full amount of your Federal Work-Study award cannot be earned. Federal Work-Study award funds are not assigned at the time of registration but are earned monthly according to the number of hours worked. Work Study is a job, and if you do not work, you will not be paid. I further understand that I will not be allowed to work until I am registered and have signed a Work-Study contract in the Student Financial Services Office. I also understand that I can only work the number of hours per week that my contract specifies and that the contract does not cover holidays and vacation periods.

6. This offer of financial aid is based on your documented eligibility according to information available as of the date of the award letter. A financial aid recipient is required to notify the Office of Student Financial Services if additional financial resources are made available from other sources. Adjustments in financial aid awards will be made when outside aid reduces eligibility, especially if TU aid is included in the award. I further understand that if my award consists of only gift aid, I am not eligible for a refund.

7. Financial Aid Awards, Direct Subsidized, Unsubsidized Student Loans and Direct Parent Loans, may only be used to pay educational costs incurred during the period covered by this award letter and MAY NOT BE USED TO SATISFY PAST INDEBTEDNESS TO TUSKEGEE UNIVERSITY.
