President
Tuskegee University
308 Kresge Center
Tuskegee, AL , IL 36088

Dear President McNair,

During our July 2020 Annual Conference, the Accreditation Committee for the American Council for Construction Education (ACCE) reviewed the Third Year Progress Report for the Construction Science and Management Program at Tuskegee University.

The report as submitted was accepted by the Committee. Actions taken by the institution on correction or elimination of Weaknesses and Concerns cited in the 2017 Visiting Team Report were approved.

From the information in the Progress Report, the Committee provided the following comments:

The Council appreciates the report and expects alleviation of each Weakness and Concern prior to the next visit.

If you have any questions, feel free to contact me directly at Steve.Nellis@ACCE-HQ.org. We look forward to continued cooperation in the accreditation process between ACCE and Tuskegee University.

Best regards,

Steve Nellis
President & CEO
