

Campus Safety Tips

Protect Your Identity and Property

Try not to publicly display your: Name, Address, Phone Number, Bank Account Number, Credit Card Number, and Social Security Number.

If you keep your private information private, it is much harder for you to become a victim of identity theft.

- Record the serial numbers of your belongings. Engrave or permanently mark items with a unique identifying number.
- Keep your car locked. Store items out of sight or in your room. Coats, backpacks, and purses should remain with you or be locked up.

The responsibility of the Tuskegee University Police Department (TUPD) is to ensure that local, state, and federal laws/rights are being followed and are not violated.

TUPD has jurisdiction over all campus grounds; remote research facilities; and University-owned housing units for off-campus students, staff and faculty. State Certified Law Officers and Security Officers patrol these areas daily and respond to requests for service 24 hours a day.
