Veterinary Science Training, Education, and Preparation Institute

VET STEP 2023

VET STEP is a residential program designed to introduce underrepresented minority high school students to exciting careers in veterinary medicine. Students will spend a week on the campus of Tuskegee University learning about what it takes to be a Veterinarian while attending stimulating academic classes.

Deadline to apply: April 14, 2023

For questions on VET STEP enrollment, please contact Ms. Deetra L. Benn
