

ATTENTION NEW AND RETURNING TUSKEGEE UNIVERSITY STUDENTS

If you were awarded a book scholarship by Tuskegee University Financial Aid Office you may go to the Bookstore to purchase your books upon arrival to the Campus.

If you have extra money on your account after paying all of your tuition and mandatory fees, you are eligible to have money transferred to the Tuskegee Bookstore to purchase books.

Below are the steps to take when requesting money to be transferred from your account to the bookstore:

1. Go to the bookstore to price your books. You can also go on line at www.tusk.bkstr.com to price your books.
2. Email your request to the following email address from your Tuskegee University e-mail account: Bookvouchers@mytu.tuskegee.edu. *Please allow at least a 48 hour turnaround before going to the Bookstore to purchase your books.*
3. Include your Name, ID number and the amount of your request.
4. Request only the amount you need. Once the funds are released to the bookstore, there will not be any refunds processed if the money is not used in the bookstore.
5. Pay attention to the deadline to request book vouchers for this semester.
