

Annual T. M. Campbell Scholar Bowl

The 9th Annual Thomas Monroe Campbell Scholar Bowl was held on Wednesday and Thursday, May 1 and 2, in the Macon County Commissioners Chamber featuring our local 4th – 8th grade students in question/answer competitions of general knowledge. Each year fosters evidence that our youth are indeed the scholars and leaders we are nurturing for tomorrow. Not only were the competitions exciting, they offered teachable moments centered on fair play, good study habits, teamwork and courtesy.

We offer a special thanks to those organizations, businesses, and individuals whose donations make this event possible each year: Mr. & Mrs. Robert Davis, Alpha Phi Alpha Fraternity, Inc., Too Good for Drugs Photojournalism/M.O.M.S./Tuskegee University Cooperative Extension program, Alabama 4-H, Alabama Cooperative Extension System, Language, Art and Science Connections, Macon County Commission, Macon County Schools, Albert C. Bulls Construction, Inc., Mr. Ruso Minniefield, Attorney Robert Thompson and the Gray Law Center.
