CURRENT ADMINISTRATIVE POSITION

President

Western Illinois University – Macomb and Moline, Illinois

July 2011 to Present

The president serves as the chief executive officer and spokesperson for the University, provides overall leadership on both the Macomb and Quad Cities (Moline) campuses, communicates and supports the University's strategic vision and plan (*2012-2022 Strategic Plan: Higher Values in Higher Education*), and ensures operational implementation of the strategic plan on two campuses. The president implements all Board of Trustees' policies, and is responsible for all functions of the University. In partnership with the Board of Trustees, the president is responsible for the fiscal soundness of the University through wise management of revenue streams and the effective budgeting of resources. The president manages a professional executive team that includes vice presidents for: academic affairs, student services, administrative services, advancement and public services, and Quad Cities and planning and fosters the development, growth, involvement, and recognition of employees at all levels, empowering them by affirming they are all valued members of the University community with important roles. The president establishes and nurtures a collaborative campus culture that unites university stakeholders around the common purpose of the University's mission and goals. The president provides leadership for the development and implementation of new programs, academic, and otherwise.

Western Illinois University is accredited by the Higher Learning Commission and is a member of the North Central Association. The institution serves approximately 11,500 students through its traditional, residential four-year campus in Macomb, Illinois and its upper-division metropolitan commuter location in the (Quad Cities) Moline, Illinois. WIU offers 66 undergraduate degree programs and 37 graduate degree programs, has over 630 full-time faculty members, and has an annual budget of over \$242 million. WIU is recognized as a "Best in the Midwest College" by the *Princeton Review* and as a top tier Midwest Universities Master's institution by *U.S. News and World Report*. WIU's students are from over 91 counties in Illinois, approximately 35 states, and 70 countries. The University provides dedicated faculty, state-of-the-art technologies and facilities and numerous academic and extracurricular opportunities. The four core values at the heart of WIU are: academic excellence, educational opportunity, personal growth and social responsibility.

Major University Accomplishments Under the President's Leadership:

- Strategic Planning – Enhanced the University's reputation, and established five, ten and fifteen year goals.
- Fundraising – Exceeded goal of \$60 million, and raised \$63 million for the Higher Values in Higher Education campaign and increased external funding and private fundraising (focusing on alumni, friends and corporate sponsors), and cultivated external financial support for WIU and its programs, through donations, grants and contracts.
- Fiscal Management – Successfully managed reoccurring fiscal and cash flow issues to minimize impacts on students, faculty and staff, while collaboratively working with various constituencies to stabilize fiscal resources at the University during the State of Illinois' Budget Impasse, where the University received no state funding through a state-appropriated budget for FY16, FY17, and a portion of FY18.
- President's Executive Institute – Established an institute to engage with external entities for the purpose of cultivating educational, cultural, environmental, community and economic development in the West-Central Illinois Region and beyond.
- Facility Development – Completed Phases I and II of the new Quad Cities Riverfront Campus, and Phase III Design and Construction.

- Increased Focus on Honors College and Honors Curricula – Significant increase of honors courses, services for honors students, and increase of students who are cultivated to compete for national academic honors and awards. Over 20 students have been nominated for national scholarships and awards, such as the: Truman, Rhodes, Goldwater, Cooke, etc.
- Illinois Public Agenda – Continued focus on the public agenda and meeting the performance based funding measures outlined by the Illinois Board of Higher Education.
- Collaboration – Worked with various constituencies to build upon WIU's reputation as a destination university for undergraduate education and select graduate programs with a primary emphasis on: quality teaching and instruction, student-centered environments, competitiveness, and research initiatives. Enhanced established relationships with board members, faculty, staff, students, campus governance leaders, union representatives, community leaders and other stakeholders.
- Shared Governance – Maintained a strong presence working with various governing bodies on issues impacting WIU and higher education.
- Innovative Strategy – Supported an innovative budget planning process wherein funds are requested and priorities established from the “bottom-up” rather than from the “top-down” to position the University to move toward its vision during challenging fiscal times.
- Cost Containment – Created guiding principles to govern discussions on cost containment, reallocation, and budget reductions.
- Academic Excellence – Preserved and maintained the strength of the academic programs while identifying signature academic programs.
- Educational Opportunity – Enhanced WIU's reputation as an accessible and accountable institution with a focus on enrollment projections and goals, while maintaining and enhancing admissions and educational standards, and working to improve students' graduation and retention rates.
- Student Financial Assistance – Increased funding for scholarships for overall retention and high achieving students, expanded student employment opportunities.
- Western Commitment Scholarship Program – Created merit-based program to award students with excellent academic ability and demonstrated achievement in high school by offering 4-year scholarships for the cost of attendance at WIU.
- STEM Focus – Enhanced collaborative relationships in the STEM disciplines to provide the WIU community with resources that correspond with faculty and students' research interests and initiatives.
- International Recruitment – Facilitated an increase in the number of international students participating in Study Abroad experiences and set goals to increase the overall international enrollment.
- Student Recruitment – Encouraged a broader and specialized focus on a triangulated enrollment management/recruitment model which includes: 1) admissions, 2) academic affairs, and 3) general staff. Using a campus community model for targeted recruitment.

- Student Retention – Expansion of First Year Experience Program, which includes a required University transition course for all first-time freshmen, a university-wide mentoring program, and an enhanced focus on advising and financial aid for specialized student populations.
- Faculty Support – Continued to provide support for: Faculty Travel Awards, the Center for Innovation in Teaching and Research to offer programming for faculty and staff, and President's Roundtable Meetings with faculty.
- Campus Community – Expanded and support a climate of community, understanding, mutual respect, and appreciation for diversity and respect for all individuals.
- Diversity and Inclusion – Developed and continue to support the underrepresented dissertation fellowship and visiting faculty diversity initiatives.
- Campus Beautification – Initiated and provided support for facilities enhancement and campus beautification.
- Campus Improvements and Maintenance – Provided support for renovation to the University Union and Thompson, Corbin, and Olson Residence Halls and the creation of a 3-D Arts Center.
- Technology Enhancement – Initiate exploration of new student and financial data systems.
- Partnerships – Enhanced off-campus partnerships, community engagement, and outreach.
- Marketing – Utilized all forms of media and technology to report all positive aspects of the WIU campus community, while enhancing marketing to tell the WIU story.
- Institutional Honors/Ratings – Maintained Carnegie Classification as a masters-granting comprehensive university. WIU rated as a "Best in the Midwest College" by the *Princeton Review* and as a top tier Midwest Universities Master's institution by *U.S. News and World Report*.
- Community/Civic Activities – Positioned the University as a service oriented entity for Macomb, the Quad Cities, and surrounding areas. Enhanced involvement with the Macomb and Quad Cities Area Chambers of Commerce, the Illinois Chamber of Commerce, and other area and state-wide development authorities.
- Alumni Activities – Engaged alumni by meeting face-to-face, holding alumni events in other cities, developing and enhancing the use of printed and web materials targeting alumni, and engaging them in fundraising and student recruitment.
- Economic Development – Continued the momentum of connecting to and establishing partnerships within the business communities of the State of Illinois, including: John Deere Corporation, Caterpillar Corporation, Macomb Area Economic Development Corporation, McDonough District Hospital, and agriculture and Technology Industries.
- Legislative Activities – Continued to become acquainted with and enhance professional relationships with the Governor, members of the Illinois State Legislature and other elected and appointed local and state officials, as well as the congressional delegation while meeting with many legislators to keep WIU on the forefront of higher education and continue to host WIU's Annual Legislative Reception in Springfield, Illinois.

FORMER ADMINISTRATIVE POSITIONS

Provost and Academic Vice President Western Illinois University – Macomb and Moline, Illinois January 2008 to June 2011

The provost and academic vice president served as the chief academic officer and provided academic and internal leadership on both the Macomb and (Quad Cities) Moline campuses. When necessary, the provost served as the primary representative for the president. The provost provided vision, academic leadership, and planning for two campuses. Worked with other members of the president's cabinet to achieve goals outlined in the strategic vision and plan (*2012-2018 Strategic Plan: Higher Values in Higher Education*). In order to provide quality academic programs for over 11,500 students, the provost established and implemented academic priorities in collaboration with the: faculty, institutional leadership, the Western Illinois University Board of Trustees, the Illinois Board of Higher Education, and relevant stakeholders.

The provost provided leadership for all areas in academic affairs including four colleges, five deans, a number of directors, and over 620 full-time faculty members. The provost managed a budget of approximately 76.2 million dollars. Additionally, the provost oversaw the Office of Sponsored Projects totaling 13.1 million dollars in research and grants for the 2009-2010 academic year. The provost provided direction for the approval and implementation of new academic programs. Oversaw intellectual standards; academic planning and budgeting; and the recruitment, retention, and development of faculty. Supervised the administration of the provisions of the contract with the University Professionals of Illinois (UPI) and served as the Step One grievance hearing officer. Other responsibilities included the enhancement of summer school, program development, review, and assessment; academic policies and procedures; and personnel actions involving faculty and academic support professionals. Served as an ex-officio member of the University Faculty Senate and met with the Student Government Association (SGA) and other governing bodies.

Major Accomplishments:

- Established New Academic Programs – Implemented the following academic programs: Engineering, Nursing, Anthropology, Museum Studies, and Religious Studies.
- Identified Signature Academic Programs – Worked with the Deans to identify the following academic programs: Broadcasting, Construction Management, Emergency Management, Forensic Chemistry, Law Enforcement and Justice Administration, Musical Theatre, Meteorology, and Supply Chain Management that are unique to the institution and the region.
- Enhanced Academic Program Review – Developed and supervised a comprehensive academic program review process which includes external reviewers for all programs and post review follow-up to strengthen the academic enterprise.
- Enhanced Summer School – Established a committee to develop an enhanced comprehensive summer school program that increased student enrollment, and involved broader online and traditional course offerings during the summer academic sessions.
- New and Continuing Accreditations – Achieved new programmatic accreditation or received reaffirmation of programmatic accreditation in the following academic areas: Accounting, Art, Athletic Training, Business Administration, Communication, Communication Sciences and Disorders, Counseling, English Languages, Museum Studies, Music, Recreation, Park, and Tourism Administration, Social Work, and Theatre.
- Expanded Articulation and 2+2 Agreements – Supervised the establishment of articulation agreements with over 34 Illinois and Iowa community colleges, and two four-year institutions.

- Enhanced Online Course Offerings – Advocated for funding that yielded a six percent increase in the number of online course offerings.
- Innovative Budgeting Planning – Created an innovative budget planning process wherein funds are allocated from the “bottom-up” rather than from the “top-down.”
- Increased External Grant Funding – Encouraged an expansion of services offered by the Office of Sponsored Projects which resulted in an 8.2 percent increase in awards received by the University.
- Assisted in Securing Fund Raising and Cultivating Relationships – Worked closely with the president to secure funding and attend alumni events to cultivate relationships with prospective donors.
- State Government Relationships – Responded to legislative inquiries regarding academic matters, and contributed to reports and testimonies presented to the state legislature to garner additional support for the University.
- Enhanced Multi-Campus Institutions – Enhanced communication between WIU – Macomb and Quad Cities Campuses.
- Developed Underrepresented Dissertation Fellowship, Visiting Professorship, and Post-Doctoral Fellowship Programs – Created and recruited underrepresented faculty to diversify academic departments throughout the University.
- SREB Recruitment – Served as a recruitment representative at the Compact for Faculty Diversity's Institute on Teaching and Mentoring which is hosted by the State Doctoral Scholar's Program of Southern Regional Education Board, and is the nation's largest annual conference for minority Ph.D. students and recent graduates.
- Five-Year Contract Extension – Supervised the negotiation with the University Professionals of Illinois a five year extension of the prior contract (2007 – 2011 Agreement).
- Enhanced Professional Achievement Award – Implemented an enhanced award to reward high achieving faculty.
- Enhanced Institutional Transparency – Created the Provost Advisory Council, the Provost's Open House, and visited each academic department/school for faculty and other members of the campus community to communicate regularly with the provost.
- Student Advocacy – Created a student-centered environment by enhancing communication with student government organizations and providing a platform for dialogue.
- Enhanced Technology Initiatives – Coordinated with University Technology and the Physical Plant to expand the number of electronic classrooms and renovate dated technology with new systems.
- Economic Development and Community Relations – Served on the Board of the Macomb Area Economic Development Corporation and initiated the application process for the Carnegie Community Engagement Classification status.
- Enhanced Commencement – Overhauled commencement exercises, to include the use of gonfalons, establishment of an honors convocation in the Quad Cities, and worked with individuals to create a University policy for awarding posthumous degrees.

- Provost Faculty Travel Awards – Established a program to award faculty funding for professional travel.
- Administrative Searches – Chaired successful searches for the vice president for advancement and public services, the vice president for student services, and hired two deans.

**Middle Tennessee State University – Murfreesboro, Tennessee
June 2004 to January 2008**

Senior Vice Provost for Academic Affairs, Interim Dean of the College of Continuing Education and Distance Learning, and Professor of English

The senior vice provost for academic affairs provided leadership in all areas of academic administration including policy formulation and administration. Provided academic programs for over 22,800 students. Managed nine deans and over 1,200 faculty. Represented the president and provost in various meetings and responsibilities. Provided leadership and served as dean for the following programs: General Education, African American Studies, Aging Studies, Center for Popular Music, Cultural Diversity, Academic Enrichment, Global Studies, International Programs, Women's Studies, and the Adams Chair of Excellence. Was responsible for all promotion and tenure review in the Provost's Office. Served as liaison with the Tennessee Board of Regents and the Tennessee Higher Education Commission. Oversaw all curriculum issues and new programs. Served as primary Geier (desegregation decree) contact person. Handled all University Standing Committees. Oversaw multiple grant projects. Provided administration of the technology access fees, coordination of renovation projects, and facilities utilization/academic space allocation. Handled student complaints, grade appeals, as well as facilitated all University commencement exercises. Oversaw institutional diversity which handles all diversity issues at MTSU.

Major Accomplishments:

- Enhanced Institutional Diversity – Established an Office for Institutional Diversity that cultivated an enhanced nurturing environment for underrepresented students.
- Developed Scholars Academy – Assisted with the creation of a Scholars Academy that helped to prepare students for college-level studies by allowing them to take classes in a guided summer program.
- Contributed to Academic Enrichment – Transitioned developmental studies to college-level courses to create an academic enrichment program that allowed students to earn college credit.
- Enhanced the Underrepresented Dissertation Fellowship, Visiting Professorship, and Post – Doctoral Fellowship Programs – managed and recruited underrepresented faculty to diversify academic departments throughout the University.
- Assisted with the Development of New Academic Programs – Implemented new Ph.D. programs and other graduate and undergraduate programs.
- College of Continuing Education and Distance Learning – Maintained the daily operations of the College during a transitional period.

- Enhanced Academic Program Reviews – Supervised a comprehensive academic program review process which included external reviewers for all programs and post review follow-up to strengthen the academic enterprise.
- TK20 Assessment Instrument for National Council for Accreditation of Teacher Education (NCATE): Standard 2 – Coordinated the implementation of the system for the College of Education and Behavioral Sciences.
- K-12 Partnership for Rutherford County Schools and K-6 Murfreesboro City Schools – Facilitated the partnership for the two school systems for the Middle Tennessee State University Teacher Education Program (largest program in the state).
- Enhanced the Partnership Mentoring Program – Provided administrative leadership and coordinated the mentorship program for the Teacher Education program and Central Middle School.
- Created New Faculty Mentoring Program – Established professional development initiatives for junior faculty.
- Southern Association of Colleges and Schools (SACS) – Served as team member on a University committee that resulted in the re-accreditation of the University.

**University of Maryland Eastern Shore - Princess Anne, Maryland
August 1990 to May 2004**

Interim President

The interim president served as the chief executive officer for the University accountable to the chancellor of the University System of Maryland and its Board of Regents. Represented the University in various meetings on the local, state and national levels. Oversaw all areas of the University including Academic Affairs, Student Affairs, Administrative Affairs and Institutional Planning, Research and Assessment. Oversaw the day-to-day operations of an 1890 Land grant Institution with an enrollment of 3,400 students and more than 800 faculty and staff.

Major Accomplishments:

- Enhanced Fundraising – Cultivated relationships with alumni and other perspective donors on a bi-weekly basis.
- Enhanced Legislative Relations – Testified before the legislators and was successful in securing additional support for the University.
- Expanded Community Engagement – Worked closely with community leaders and stakeholders to advance the positive working relationship between the University and the local community.
- Developed New Academic Programs – Implemented three new Ph.D. programs.

Executive Vice President

The executive vice president served as the chief executive officer in the absence of the president. Represented the president in various meetings at the local, state and national level. Assisted the president in overseeing all areas of the University including academic affairs, student affairs, administrative affairs, and institutional planning, research, and assessment. Assisted in managing an overall budget of \$68 million. Directed the UMES Scholars Program.

Major Accomplishments:

- Developed an Executive Corporate Cluster – Established an Executive Corporate Cluster where the University created partnerships with businesses to provide internships and scholarship opportunities for students.
- Budget and Compliance – Enhanced the budget process at the University, which resulted in a streamlined process.
- Strategic Planning – Monitored the strategic direction as outlined in the academic master plan and implemented specific goals and initiatives.

Associate Vice President for Academic and Student Affairs

The associate vice president for academic and student affairs provided executive level leadership in the administration of a comprehensive range of services under Academic Affairs. Served as the Chief Executive Officer for Student Affairs including: Admissions, Registration and Recruitment, Retention, Student Activities, Community Relations, Career Services, Student Health Services, and WESM (Campus Radio Station). Managed and directed the UMES Scholars Program. Participated in institution-wide planning, program and policy review, enrollment management issues and educational programming in support of the academic mission. Assisted the president in administering the University's total budget including auxiliary accounts, contracts and grants, and an overall operating budget of \$55 million. Engaged in major Capital Campaign fundraiser.

Major Accomplishments:

- University Scholars Program – Created a scholars program to recruit the best and brightest students to serve as role models and to enhance the overall SAT scores of the students entering the University.
- Enhanced Graduate Feeder Program – Established an agreement with Miami University of Ohio where qualified students were able to complete their graduate studies.
- Enhanced Enrollment Management Program – Worked with Noel–Levitz to create an Enrollment Management Program where the University toured various cities as a means of increasing the enrollment. The program yielded the largest freshman classes in the history of the institution for three consecutive years.

Executive Assistant to the President

The executive assistant to the president represented the president of the University on a daily basis during meetings at the local, state and national level. Assisted the president in administering the University's total budget including auxiliary accounts, contracts and grants, and an overall operating budget of \$55 million. Handled special projects, programs and meetings. Managed and directed the UMES Scholars Program. Coordinated and coached the Honda Campus All-Star Academic Team.

Chair of the Department of English and Modern Languages

The Chair of the Department of English and Modern Languages supervised and evaluated 24 English faculty. Evaluated faculty pursuant to policy procedures. Worked with faculty in curriculum development. Held regular departmental meetings, scheduled classes, and represented the department at local, state, and national meetings. Advised students, and oversaw the journals published by the English Department including Maryland Review and

Image: The Scholar's Release. Oversaw the school newspapers and newsletters that were produced. Conducted scholarly research and presented papers at professional conferences and meetings. Sought grants and other sources of external funding. Provided staff support and area activity related to quality assurance. Taught at least two classes per academic year. Conducted faculty recruitment and team building and took students to professional meetings and graduate fairs.

Major Accomplishments:

- Annual International English and Literature Conference – Created an International Conference where writers and scholars convened from across the United States and other countries such as: Finland, Germany, South Africa, Ireland, etc. to present their research.
- Enhanced Curriculum – Initiated an overhaul of the curriculum within the Department of English and Modern Languages to reflect best practices and current pedagogy.
- Middle States Association of Colleges and Schools (MSACS) – Served on Self-Study Steering Committee that resulted in the re-accreditation of the University.
- Academic Team – Coached the UMES academic team that Placed 2nd in the nation for the Honda All-Star Challenge.

Other Teaching Experiences

Chesapeake Community College
Central Piedmont Community College
Midland Technical Community College

FUNDRAISING

Exceeded the \$60 million fundraising goal, and raised \$63 million, as part of the WIU Capital Campaign
Raised \$3.5 Million under leadership as interim president
Worked with Choice and Marriott Hotels and other corporations to secure funding
Caterpillar (secured \$52,500 for scholarships for underrepresented students)
John Deere (worked on proposal for \$500,000 donation for engineering)
Moline Foundation (worked on proposal for \$500,000 donation for engineering)
Secured funding for the 'Enhancing Students' Writing Skills Project
Attend alumni events as needed for cultivation of donors

BOARD SERVICE

Board Member, Illinois Board of Higher Education
Board Member, American Association of State Colleges and Universities (AASCU)
Board Member, Stillman College Board of Trustees
Board Member, Illinois Campus Compact
Board Member, American Association of Blacks in Higher Education
Board Member, Macomb Area Economic Development Corporation
Executive Board Member, Council of Fellows American Council on Education
Board Member, Heart of Tennessee Chapter of the American Red Cross
Board Member, Rutherford County YMCA

NATIONAL, STATEWIDE, AND RELATED SERVICE

Member, NCAA Division I Presidential Forum
Chair, NCAA Accelerating Academic Success Program Selection Committee
Chair, (AASCU) Christa McAuliffe Award Presidential Selection Committee

Member, Middle States Visitation Team – Kean University
Member, Governor’s Task Force on Education for the State of Maryland
Chair, NCAA Governance, Rules and Compliance (Re-certification of Athletics)
