

**PERSONAL IMAGE/TALENT RELEASE**

In association with my likeness, quotes or other personal information related to my participation in activities hosted, sponsored or conducted by/at Tuskegee University or by its subsidiaries, contractors or partners (collectively, “the university”), I hereby agree to the following:

I give full permission, irrevocably and in perpetuity, to the university to use my name, image, likeness, quotes or any portion thereof (collectively, “my image”) as they may appear in the materials created for such activities.

Furthermore, I grant the university permission to distribute or display my image in any and all manners and media throughout the world, including, but not limited to, print, photography, marketing collateral, video, television, writable media, and online media, such as websites, social media or other internet-based channels.

I warrant and represent that any statements made by me to the university under this release are true and portray my honest belief and understanding. I recognize that the university’s use of my image may reflect on the university’s reputation, and at this time I am unaware of any facts about my image that would cause a negative association. I understand that the university is not obligated to use nor provide compensation for any use of my image. I further understand that the university does not acquire an ownership interest in my image or personal information as a result of this release, and agree that the university owns all copyrights to any photographs or video footage it captures, and to any of the derivative works the university creates as a result of this release or my participation.

I also agree that the university, using my image or any part thereof, shall have no obligation to identify me by name or otherwise, and I hereby waive all rights and claims that I may otherwise have with respect to the manner in which my image may be used by the university, including, but not limited to, publicity rights, privacy rights, rights regarding defamation of character, and all rights with respect to my approval of the materials that may be created by the university containing my image, regardless of whether, in my opinion, my image is blurred, distorted or altered, whether intentionally or otherwise.

By signing below, I represent that I have read this release and that I fully understand its provisions and the rights that I am granting and releasing pursuant thereto. I also represent that I have full power and authority to enter into this release.
