

Dr. Elizabeth Yorke

Publications:

- 1) **Yorke E.H.**, Judy C.E., Saveraid T.C., McGowan C.P., and Caldwell F.C. Distal border fragments of the equine navicular bone: Association between magnetic resonance imaging characteristics and clinical lameness. *Veterinary Radiology & Ultrasound*. 2014; 55 (1), 35-44
- 2) **Yorke E.H.**, Caldwell F.J., Johnson A.K. Uterine torsion in the mare, *Compendium Equine*. 2012 Dec; 34(12)
- 3) Judy, C.E., Saveraid, T.C., **Rodgers, E.H.**, Rick, M.C. and Herthel, D.J. Characterization of Foot Lesions Using Contrast Enhanced Equine Orthopedic Magnetic Resonance Imaging. In: *Proceedings. Am Assoc Equine Pract* 2008; 54:459
- 4) Judy, C.E., Saveraid, T.C., **Rodgers, E.H.**, Rick, M.C. and Herthel, D.J. Characterization of Foot Lesions Using Contrast Enhanced Equine Orthopedic Magnetic Resonance Imaging. *ACVS Veterinary Symposium Scientific Presentation Abstracts* 2008; 17
- 5) Popular articles: **Yorke E.H.** 'Ask the Vet' question and answer column: Navicular bone fractures. *The Horse Magazine*; October 2014.

Presentations:

- 1) Local Seminars and Guest Lectures:
Distal Border Fragments of the Equine Navicular Bone. AUCVM, Resident seminar, September 2011
- 2) Musculoskeletal Injuries in the Racing Thoroughbred. AUCVM, Resident seminar November 2010
- 3) Regenerative Therapies for Equine Tendonitis and Desmitis. AUCVM, Resident seminar, November 2009
- 4) Equine Nasal Passages and Paranasal Sinuses. AUCVM, Advanced equine critical care lecture, September 2009

Regional Conferences:

- 1) Diagnosis and Treatment of Equine Navicular Syndrome. AUCVM Annual Conference, April 2012

- 2) Medical and Surgical Management of Colic in the Newborn Foal. AUCVM Annual Conference, April 2010

National and International Conferences:

- 1) **Yorke, E.H.**, Judy C.E., Saveraid, T.C., McGowan, C.P., and Caldwell, F.C. Distal border fragments of the equine navicular bone: Significance in current clinical lameness. 2013 ACVS Veterinary Symposium, October 2013 – San Antonio, TX, USA
- 2) **Yorke, E.H.**, Judy C.E., Saveraid, T.C., McGowan, C.P., and Caldwell, F.C. Distal border fragments of the equine navicular bone: Significance in current clinical lameness. 58th Annual Convention of the American Association of Equine Practitioners – AAEP, December 2012 - Anaheim, CA, USA
- 3) Judy, C.E., Saveraid, T.C., **Rodgers, E.H.**, Rick, M.C. and Herthel, D.J. Characterization of Foot Lesions Using Contrast Enhanced Equine Orthopedic Magnetic Resonance Imaging. 54th Annual Convention of the American Association of Equine Practitioners - AAEP, 2008 - San Diego, CA, USA
- 4) Judy, C.E., Saveraid, T.C., **Rodgers, E.H.**, Rick, M.C. and Herthel, D.J. Characterization of Foot Lesions Using Contrast Enhanced Equine Orthopedic Magnetic Resonance Imaging. 2008 ACVS Veterinary Symposium, 2008 - San Diego, CA, USA

Dr. Shannon Boveland

Research Publications:

Boveland S.D., Moore P.A., Mysore J., Dietrich U.M., Jarrett C., Krunkosky T., Carmichael K.P. Immunohistochemical identification of matrix metalloproteinases (MMP) -2 and -9 and their correlation with macrophage inflammatory protein-2 (MIP-2) and tissue inhibitor of matrix metalloproteinases (TIMP) -1 and -2 in equine fungal keratitis. *Veterinary Ophthalmology*, March 2010; 13(2):81-90

Research Abstracts Presented/ Published:

- 1) **Boveland S.D.**, Moore P.A., Mysore J., Dietrich U., Jarrett C., Carmichael K.P. Immunohistochemical detection and the correlations between matrix metalloproteinases (MMP)-2 and -9, Macrophage inflammatory protein-2 (MIP-2),

and tissue inhibitors of matrix metalloproteinases (TIMP)-1 and -2 in equine fungal keratitis. 38th Annual Meeting of the American College of Veterinary Ophthalmologists, Kona Hawaii, October, 2007 (Best Poster Award) *Veterinary Ophthalmology* 2007; 10 (6): 406

- 2) **Boveland S.D.**, Moore P.A., Mysore J., Dietrich U., Jarrett C., Carmichael K.P. Matrix metalloproteinases (MMP) -2 and -9 in equine fungal keratitis. 37th Annual Meeting of the American College of Veterinary Ophthalmologists, San Antonio, TX, November 2006 (Oral Presentation) *Veterinary Ophthalmology* 2006; 9(6): 414-425
- 3) Canine Corneal Ulcers: Does Breed and Size Matter? Clinical Medicine and Surgery Seminar, The University of Georgia, College of Veterinary Medicine, April-2008
- 4) The Role of Matrix Metalloproteinases in Equine Fungal Keratitis. Clinical Medicine and Surgery Seminar, The University of Georgia, College of Veterinary Medicine, May-2007
- 5) The role of matrix metalloproteinases in equine fungal keratitis. Master's Defense The University of Georgia, College of Veterinary Medicine, March-2007
- 6) The Immunohistochemical Identification of Matrix Metalloproteinases in Equine Fungal Keratitis Cases. Clinical Medicine and Surgery Seminar
