

Barrett T. Vaughan, Ph.D., Assistant Professor
College of Agriculture, Environment, and Nutrition Sciences

Publications

Nyiauwung, K. Z., Mortley, D. G., Issah, A., Egnin, M., Bonsi, C. K., Hill, W. A., & Vaughan, B. T. (2014). Screening sweetpotato breeding clones [*Ipomoea batatas* (L.) Lam] as a suitable potential source of feedstock for bioethanol production. *Journal of Alternate Energy Sources & Technologies*, 5 (3).

Vaughan, B., Zeigler, A., Wall, G. D., Robinson, M. D., Hodge, W. A., Bonsi, C. O., Baharanyi, N. R., & Hill, W. A. (2014). Case study of a food safety/good agricultural practices (GAPs) educational program for small and limited resource produce farmers. *Professional Agricultural Workers Journal*, 1 (2), Article 7.

Robinson, M., Brown, J., Paris, A., Hill, W. A., Hargrove, T. M., Vaughan, B., Shange, R., Hooks, A., Hooks, D., Turner, T., England, B., & Zeigler, A. (2014). Small farmers agricultural cooperative launched. *Professional Agricultural Workers Journal*, 1 (2), Article 5.

Wall, G. D., Hill, W. A., Vaughan, B., Shipman, B., Maat, A., Hill, R., & Tyson, S. (2014). Alabama's women in agriculture: The road to GAPs harmonization and global addendum - Tuskegee's Walmart Initiative. *Professional Agricultural Workers Journal*, 1 (2), Article 6.

Nyiauwung, K. Z., Mortley, D., Egnin, M., Bonsi, C., & Vaughan, B. (2012). Sweetpotato. In C. Kole, C. P. Joshi, & D. R. Shonnard (Eds.), *Handbook of Bioenergy Crop Plants* (pp. 737-745). Boca Raton, FL: CRC Press.

Nyiauwung, K. Z., Mortley, D. G., Issah, A., Bonsi, C. K., Hill, W. A., & Vaughan, B. T. (2010). Evaluation of ten sweetpotato cultivars as potential feedstock for biofuel production. *Journal of Root Crops*, 36 (2).
