To the Family of Dr. Ralphenia D. Pace:

On behalf of the State of Alabama Board of Examiners for Dietetic and Nutrition Practice, I would like to acknowledge the lifetime contribution of Dr. Ralphenia D. Pace to the dietetic profession. Dr. Pace taught and mentored countless students who went on to serve the citizens of the state in the healthcare field. She was an unwavering advocate for the advancement of dietetics and for her beloved students.

Dr. Pace is honored for exemplifying the highest standards of leadership, integrity and achievement. The impact she made in the education and medical communities will live on in the lives of not only the students she mentored, but the countless patients those students go on to help.

It has been a distinct privilege to share this field with my fellow dietitian, colleague, trail blazer and friend. Dr. Pace's legacy will be remembered for years to come as she exemplified a standard of excellence that was so evident in all her pursuits.

Sincerely,

  
Dr. Evelyn Crayton
