**STOP HUNGER NOW** Meal Packaging Event at Tuskegee University  
Organized by Department of Food and Nutritional Sciences & Food and Nutritional Sciences Advisory Board, October 29, 2014

A photograph showing a meal packaging station. In the background is a large blue plastic bin. A white label with black text is attached to the front of the bin. To the left of the bin is a stack of white plastic baskets. In the foreground, there is a black circular lid on the left and a clear plastic container filled with white rice on the right. The surface is a light-colored countertop with some rice grains scattered on it.

Bag Weight:  
389 – 394 Grams
