INSTRUCTIONS FOR COMPLETING THIS FORM

- 1. Use for change of major ONLY. Complete sections 1 and 2 for change of major within an academic unit. (Example: Change of major from Architecture to Electrical Engineering).*
- 2. Complete the entire form for change from one academic unit to another academic unit (Example: Change from College of Arts and Sciences to College of Business and information Science).*
- 3. Initial Action begins in the dean's office of the college from which the transfer is being made. Next, secure the approval of the college dean to which the transfer is being made. The ENTIRE form is deposited at the Registrar's Office for final approval of distribution.*
