

Transfer of Credits Form

Tuskegee University

Program – M.S. in Information System and Computer Security – Cybersecurity option

Tuskegee University is dedicated to making the transfer transition as easy as possible. The Transfer Guide, if used correctly, will guide students through their first two years of course work to prevent loss of credit hours upon transfer to Tuskegee University. Upon transfer, please bring your transfer guide with you so that we can insure a smooth academic transition from **the University of Tennessee at Chattanooga to Tuskegee University**.

NOTES: This instrument was prepared for those who plan to transfer from **the University of Tennessee at Chattanooga to Tuskegee University**; all other transfer applicants should contact the Admissions Office for assistance.
