

APPLICATION PROCESS

NEW STUDENTS - SUBMIT STANDARD TUSKEGEE UNIVERSITY UNDERGRADUATE ADMISSIONS APPLICATION

Submitted completed undergraduate application selecting Aviation Science in the field: What are you interested in studying? Students must have a 3.0 GPA and 1080 SAT or 21 ACT or Higher to apply for the program.

Highly competitive students will be interviewed by the Aviation Science Department Head before being accepted into the program.

CURRENT TU STUDENTS - SUBMIT REQUEST TO CHANGE MAJOR / JOIN AVIATION PROGRAM WAITLIST

Please email Dr. Javed Khan at mjkhan@tuskegee.edu. The email should include: your full name, ID#, and current major. Additionally, students are required to obtain their FAA Class 1 Medical Certificate before beginning the program. At this time current students can only apply to be waitlisted to the program. Students will be removed from the waitlist and added to the program as additional slots become available.

APPLICATION PROCESS

FAA MEDICAL CERTIFICATE

New students, obtain FAA Medical Class 1 ASAP. Current students obtain FAA Medical Class 1 prior to requesting to changing your major.

Important note: Securing your Medical Certificate may take a significant amount of time, so we strongly encourage you to begin the process as soon as you are admitted. In particular, any history of ADHD or ADHD medications will require FAA review, and possible further examination, to determine if a medical certificate can be issued. The FAA has recently updated policies regarding ADHD diagnosis.

UNIVERSITY ACCEPTS NEW STUDENT OR THE CHANGE OF MAJOR FOR CURRENT STUDENTS OR DUAL MAJOR REQUEST

ALL STUDENTS ACCEPTED TO THE AVIATION SCIENCE PROGRAM MUST PROCEED TO FLYWITHLIFT.COM TO COMPLETE AN APPLICATION WITH LIFT ACADEMY
