TUCVM Spreads Holiday Cheer with 11th Annual Toy Drive at Carver Elementary School

The Tuskegee University College of Veterinary Medicine (TUCVM) continued the tradition this year by sponsoring the 11th Annual TUCVM Toy Drive held on Dec. 4th. TUCVM students, faculty and staff shared the true spirit of giving this holiday. Participants helped make the season a little merrier for the children in grades pre-kindergarten to first grade at George Washington Carver (GWC) Elementary School located in Tuskegee. All 247 boys and girls in all three classes at GWC received a gift. Thank you to all participants and helping make this another successful joint effort between CVM students and administration to support the local community! A special shout out to all the students who served as Santa Helpers...because of YOU...Teamwork made the Dreamwork! 😊 Also, thank you to our beloved Grinch and Santa Claus, Daniel "Joe" Cook - Class of 2028 veterinary student...awesome job! Mr. Cook served as the Grinch on the day before the Toy Drive event at GWC while all gathered to wrap and pack toys for the children under the direction of Chankia Berry, TUCVM Social Worker and Toy Drive Coordinator.

Happy Holidays!!!

**REMEMBER, STUDENTS,
