Fire Alarm Awareness Procedure & Training

- The Department of Environmental Health & Safety in conjunction with the Tuskegee University Police Department will be conducting unannounced fire drill training campus-wide.
- The purpose of these fire drills is to make everyone knowledgeable and aware of what to do and where to go when an alarm activates in your building.
- This training will also enhance the knowledge of the first responders (Tuskegee University Police Department) to insure that everything is being done to protect the lives and property here at Tuskegee University.

Informative awareness information is provided below.

WHEN IT ANNUNCIATES, EVACUATE

- When a fire alarm activates (loud horns, flashing lights, voice evacuation information) in your building, quickly but safely exit the building via the closest stairwell or designated exit door.
- Do not bypass a stairwell or exit to go to another. **(DO NOT USE THE ELEVATOR).**
- Close your door, but do not lock it in case the fire or the problem exists in your confined area.

- The responders may need to access that area as quickly as possible to alleviate the fire or the problem.
- Once you have exited the building, go to the designated area for your building for accountability.
- The distance from the affected area should be anywhere from 300 ft. – 500 ft. or more.
- Do not stand around the building or on the porch.
- Upon the arrival of the first responders, if your building has a building manager, dorm director, residence assistant or safety monitor, he or she should identify themselves with the responders to see if any assistance from them is required (i.e. location of electrical or mechanical rooms, keys access, etc).
- Based upon the manpower of the response team, if possible, crowd control and traffic control should be established, and the remaining officers should enter the building to conduct a complete evacuation sweep of the building.
- Once the problem has been detected and corrected, an **“ALL CLEAR SIGNAL”** from someone in authority from the responding units (Police, Fire Dept. or University Safety Officer) should be given.
- **Do not re-enter the building at any point or time until you have received the “ALL CLEAR SIGNAL”.**

Please become familiar with this Fire & Life Safety Training Procedure. It could save yours or someone else life. Each building fire drill accountability designated location is listed below.

Facility	Evacuation Location	
Lewis Adams Hall	Lawn area near Douglass Hall	
Old Administration Building	University Avenue	
Samuel C. Armstrong Hall	Lawn area near Ford Library	
Band Cottage	University Avenue	
Benjamin Banneker Hall	Banneker Hall Parking Lot	
Mary McCloud Bethune Hall	Banneker Hall Parking Lot	
Thomas C. Campbell Hall	Large Parking Lot facing Commons Apts.	

Tuskegee Univ. Counseling Center	Top of the hill facing Chappie James Center	
Andrew Carnegie Hall	Lawn area across from Carnegie Hall	
Woodruff Food Processing Facility	Farm Roadway	
Carver Foundation Research Bldg.	Parking Lot near Logan Hall	
Central Cooling Plant	Foster Hall Parking Lot	
Centralized Lab Research Facility	Offline	
William V. Chambliss House	Chappie James lawn area	
Chambliss Business House Annex	Across the roadway facing the side of Emery IV	
Clinical Anatomy Building (front)	Patio/grassy area in front of Patterson Hall extending to the blocked roadway.	
Clinical Anatomy Building (rear)	Roadway behind Post Mortem Bldg.	
Kellogg Hotel & Conference Center	Chapel lawn	
Frederick Douglass Hall	Lawn area facing Adams Hall	
Charles Drew Hall	Demolished	
Julia E. Emery I	Moton Hall lawn area	
Julia E. Emery II	Parking Lot near Willcox E	
Julia E. Emery III	Chappie James lawn area	
Julia E. Emery IV	Chappie James lawn area	
Luther H. Foster Hall	Foster Hall Parking Lot facing Campbell Hall	
Morrison-Mayberry Building	Lawn area facing Campbell Hall	
William-Bowie Building front)	Roadway behind Post Mortem Bldg.	
Williams-Bowie Building (rear)	Roadway behind Williams-Bowie Bldg. on the left side of the horse paddocks	
General Daniel Chappie James Center	Near Airplane \ Area Between Willcox D&E	
Lillian H. Harvey Hall	Harvey Hall Parking Lot	
Ford Motor Company Library	Library lawn	
Collis P. Huntington Hall	White Hall lawn	
Ellen C. James Hall	Commons F Apt. Parking Lot	
Natl. Center for Bioethics Res. & HC	Large Parking Lot facing the Dormitories	
S. H. Kresge Center	Roadway between Willcox B & D	
Large Animal Hospital (front)	Patio/grassy area in front of Patterson Hall extending to the blocked roadway	
Large Animal Hospital (rear)	Roadway between the Paddocks and the Large Animal Hospital	
Ward H (front)	Grassy area between the Large Animal Hospital and the fence facing Hospital Road	
Ward H (rear)	Roadway behind the Post Mortem Building	

Dog Surgery Building	Large Parking Lot in front of the building	
C-Store (laundry-mat)	Lawn area across the street	
Warren G. Logan Hall	Library lawn	
Basil O'Connor Hall	Parking Lot across the street	
Olivia Davidson Hall - Offline	White Hall lawn	
Frederick D. Patterson Hall (front)	Blocked off Roadway in front of Patterson Hall	
Frederick D. Patterson Hall (back – first floor)	Parking Lot on Hill (across the street from the Post Mortem Bldg.	
Physical Plant Building	Student Union Parking Lot	
John D. Rockefeller Hall	Lawn area in front of the building	
Julius Rosenwald Center (front/main entrance from Patterson Hall)	Blocked off Roadway in front of Patterson Hall	
Julius Rosenwald Center (Back)	Across the street in front of Bethune Hall)	
Thomas D. Russell Hall	Parking Lot across the street	
Thomas D. Russell Nursery	Across the street near the airplane	
Russell D. Sage Hall	Lawn area near Thrasher Hall	
James D. Tantum Hall	Parking Lot across the street	
Post Mortem Building	Roadway behind the Post Mortem Bldg.	
Power Plant	C-Store Parking Lot	
Charles E. Tompkins Hall	University Avenue \ White Hall Lawn	
University Chapel	Lawn area in front of the Chapel	
University Commons East	Lawn area across in front of the building	
University Commons North	Lawn area James Hall – Large Rear Parking	
University Commons West	Parking Lots across in front of the buildings	
Mary Starke Harper Hall	Lawn area across the street	
Margaret Murray Washington Hall	University Avenue \ Old Bookstore Parking	
Alexander M. White Hall	University Avenue	
William G. Willcox Hall A	BTW Monument lawn area	
William G. Willcox Hall C	Moton Hall front lawn	
William G. Willcox Hall E	Chappie James lawn	
James H. Henderson Hall	Front lawn area	
Caprine Research	Farm roadway	
Small Animal Hospital (front)	Patio/grassy area in front of Patterson Hall extended to the blocked roadway	
Small Animal Hospital (rear)	Roadway between the horse paddocks and the Large Animal Hospital	

Samuel Younge Hall	The Basketball Court	
Marable Apartments	The Roadway near the Front Entrance	
University Apartments	The Parking Lots	
Large Animal Cow Barn (Ward C)	Roadway between the Paddocks & Large Animal Hospital	
Storage Shed – behind the Clinical Anatomy Building	Roadway between the Paddocks and the Large Animal Hospital	
Pole Barn #1 – next to Junior Surgery Building on the end facing away from Patterson Hall	Large Grassy Area (across the roadway) at least 200 ft from Pole Barn #1	
Palpation barn (vacant) Located behind Pole Barn #1	Large Grassy Area (across the roadway) at least 200 ft from Pole Barn #1	
Horse Paddock	Roadway between the Paddocks & Large Animal Hospital	
Pole Barn #2 (on Pasture near intersection of West Gate Road and Midway Road and near entrance to VA Hospital	Large Grassy Area (beyond the cluster of trees) on the South side of Pole Barn #2 (toward the intersection of West Gate Road and Midway Road)
