Residence Halls, Commons, Marable, and The Connections contract applications must be completed and signed by the deadline established by Housing and Residence Life. See the academic calendar (<https://www.tuskegee.edu/programs-courses/academic-calendar>) for contract/application deadline dates. Assignments are made based on students who have paid their room reservation fee and the availability of housing. Apartments will be held only when reservation fees are received, AND **STUDENTS ARE FINANCIALLY CLEARED FOR THE SEMESTER**. Assignments are based on a first-come, first-served basis/availability. Students requesting a room change during the lease contract period will be charged \$150. Rent is required in advance on a semester basis. Late fee applies. **Requirements/Eligibility:** Continuing students who have completed four (4) semesters, with a minimum of 60 credit hours, and have a 2.30 cumulative grade point average or higher. Graduate students, veterinary students, and students over 24 years old are also eligible. Students' account balance affects eligibility. **No pets, children, or opposite-sex living.** Tuskegee room and board scholarships and grants **CANNOT** be used to pay for apartment rental.

### Residence Halls - Room and Board

All students with **less than 60 credit hours by Fall Semester are required to live in the double occupancy residence hall for the entire academic year.** Independent students who are 24 years or older, married, and Macon County residents are excluded from the requirement of 60 credit hours by the fall semester of the academic year you are enrolling. Alabama (including Macon County) residency is established when a parent or legal guardian has lived in Alabama (including Macon County) for at least one year prior to the start of the Fall Semester. Food and Lodging contracts issued for one full year. ***Students residing in campus housing must be financially cleared prior to check-in (NO exceptions).***

**CANCELLATION POLICY:** Students who wish to cancel a housing contract must do so in writing on or before the first day of class to avoid a housing termination/cancellation fee.

**TERMINATION:** Students who have moved into university housing will be assessed a \$750 termination/cancellation plus a prorated rental fee for breaching the University Housing agreement. Students who apply for university housing and wish to terminate the agreement after the first day of class will also be assessed a \$750 termination/cancellation plus a rental fee. In extreme circumstances, students who feel they have a legitimate reason why they should not be charged the termination/cancellation fee should contact the Director of Housing or designee.
