

"Education and faith are the Tigris and the Euphrates of our liberation: twin rivers at the source of our redemption." Dr. Calvin O. Butts, III

It is with great joy that we invite you to join us for the installation of the Dean of the Chapel of Tuskegee University, the Reverend Cecil Andrew Duffie, Ph.D.

This sacred and historic occasion marks a significant moment in the life of our institution. The installation celebration will bring together the academy, the church, and clergy in a shared expression of worship, and witness. It is a time to honor university culture, affirm calling, and renew our collective commitment to *"curiosity, connection, and community."*

We warmly welcome students, faculty, staff, alumni, local congregations, clergy, and friends of the university to be present for this meaningful event.
