OVERVIEW

Tuskegee University (TU) is committed to providing a safe and secure environment for all faculty, staff, students and visitors. Located in the heart of the City of Tuskegee in Macon County Alabama, TU is the county's largest employer and provides an institution of higher education and research for approximately 3,000 students and 800 employees. Founded in 1881 with Booker T. Washington as its first Principal, the campus has grown from a one-room shanty to over 100 buildings situated on over 5,000 acres of land.

TU is a city within a city, providing faculty and student housing, food services venues, a hotel and conference center, research and classroom facilities, as well as an athletic/fitness center. No campus is isolated from crime; however, TU employs a variety of security measures to protect the campus community. All persons who come to campus are expected to obey all laws and University and department rules related to the use of each facility. Those who fail to comply are subject to arrest and/or disciplinary action through the University.

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT, AS AMENDED BY THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

Tuskegee University prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the University community.

For a complete copy of TU's policies governing Sexual Violence, visit the university webpage at www.tuskegee.edu/policies.

CAMPUS LAW ENFORCEMENT LOCATION

The TU Police Department (TUPD) is located in The Public Safety Building at 1103 W. Montgomery Rd.—across from the campus entrance main gate (Lincoln Gates). The Department is open twenty-four hours a day, seven days a week, including weekends, holidays, and semester breaks.

Responsibilities

Primarily responsible for protecting the life and property of people on the TU campus, officers patrol the campus on a twenty-four hour basis and provide a full range of public safety services including:

- Investigating criminal incidents and traffic accidents,
- Providing first response to emergencies,
- Completing criminal and traffic reports, and
- Conducting crime awareness and prevention programs.

When a criminal act is reported, the Department will investigate the incident and make every reasonable effort to identify the offenders. Depending upon the wishes of the victim, nature of the offense, and the evidence gathered, the case would be presented for prosecution in the criminal courts of Alabama. If a member of the TU community is identified as an offender in an incident, the TU Police Department also will notify the appropriate University administrator so that administrative disciplinary action may be taken.

Training

Officers are professionally trained and certified in accordance with the Alabama Peace Officer's Standards and Training Commission and attend continuing in-service training programs to further their skills. The State of Alabama requires all certified law enforcement officers to complete annual firearms certification and continuing educational training (a minimum of 12 hours for officers and 20 hours for chief). In raising the standards, some officers have graduated from the FBI National Academy.

Authority Code of Alabama section 16-22-1

**Police officers at state colleges and universities or Institute for Deaf and Blind -
Employment; powers and duties; nonlethal weaponry; certification.**

(a) The president or chief executive officer of any state college or university, the president or chief executive officer of the Alabama Institute for Deaf and Blind, and the presidents or chief executive officers of Talladega College, Concordia College, Samford University, Birmingham-Southern College, Miles College, Stillman College, Tuskegee University, Spring Hill College, Faulkner University, Selma University, Madison Academy, and Briarwood Presbyterian Church and its integrated auxiliary Briarwood Christian School may appoint and employ one or more suitable persons to act as police officers to keep off intruders and prevent trespass upon and damage to the property of the college or university or of the institute. These persons shall be charged with all the duties and invested with all the powers of police officers, including the power of arrest for unlawful acts committed on the property.

(b) Any person appointed to act as a police officer, pursuant to subsection (a), while on duty, shall carry and be trained in the proper use of a nonlethal weapon. For the purposes of this subsection, a nonlethal weapon is a weapon that is explicitly designed and primarily employed to immediately incapacitate the targeted person while minimizing fatalities and permanent injury. A nonlethal weapon is intended to have a reversible effect on the targeted person.

(c) A person appointed as a police officer pursuant to subsection (a) shall be certified through the Alabama Peace Officers' Standards and Training Commission.

(d) This section is cumulative.

Joint Commission- TU Police Officers share a joint commission with the Tuskegee City Police Department. This authority, passed by Alabama Legislative Act, permits concurrent enforcement of city ordinances, initiating arrests for criminal acts, investigation of alleged criminal offenses, and the booking of prisoners in the Macon County Metro Jail. In addition, the Macon County Sheriff has commissioned TUPD officers to assist them as part of a countywide special operations team on emergency response.

HOW YOU CAN HELP CREATE A SAFE CAMPUS

Safety, security, and reporting crimes are the responsibilities of everyone. The cooperation and involvement of faculty, staff, and students are essential to having a safe campus. The safety and security of you and your belongings begin with your own awareness and commitment to the safety of the community.

Reporting Incidents- Like any other community of people, TU experiences accidents, injuries, crimes, and other emergencies. To report voluntary incidents, potential criminal actions, or suspicious incidents, TU faculty, medical personnel, staff, students, and visitors should notify the TU Police Department at (334) 724-4911. To report an incident of a confidential nature, an individual should contact a Campus Security Authority (TU Police, Athletics, Student Housing & Residential Life, Student Life, Provost, Student Services, Resident Coordinators, Resident Assistants, and Faculty Advisors to Student Organizations).

Monitoring and recording criminal activity at off-campus events- The University relies on its working relationships with the local law enforcement agencies to receive information about incidents involving student's off-campus. The TU Police Department will actively investigate any crime information it receives concerning or involving a member of the campus community. If the University is notified of a crime, the department may issue a crime alert, detailing the incident and providing tips so that other community members may avoid similar incidents.

Stay Informed- The TU Police Department uses a variety of methods to keep the campus informed about incidents occurring on and near campus. The Department website www.tuskegee.edu/police contains information about crime prevention, programs and services, news and events, links for outside resources, and much more.

Publications- The TU Police Department prepares and distributes numerous brochures and pamphlets covering topics such as sexual assault awareness, general crime prevention, domestic/dating violence, active shooter, harassing phone calls and security, and traffic safety.

New Student and Employee Orientations- New students are provided crime awareness information through New Student Orientation. New employees receive information through the New Employee Orientation Program.

Lost and Found- TUPD operates a lost and found area. You can stop by the TU Police Department to drop off found property or inquire about lost property. Call (334) 727-8757 for more information.

Emergency Procedures - Standard Operating Procedures for campus emergencies are located on the University Web page (www.tuskegee.edu/police) in two formats:

1. Basic Information - designed for students, faculty and staff to follow
2. Comprehensive - a detailed version designed for Administration and written in the NIMS (National Incident Management System) Compliant requirement.

CAMPUS TRANSPORTATION

TU Shuttle Service- The TU Shuttle Service is a service that provides transportation throughout the University campus and from the Connections Housing Complex in Auburn. With a valid TU ID badge, students, employees, and authorized visitors can enjoy a fare-free bus transportation throughout campus. Bus routes and scheduled times are provided at the front gate security station, all residence halls, and the Office of Student Affairs (Suite 500 Tompkins Hall).

MISSING PERSON PROCEDURES

Students who reside in on campus housing facilities are encouraged to report a student that has been missing for 24 hours to the University Police Department (TUPD) or a campus security authority. The campus security authority (Athletics, Student Housing & Residential Life, Student Life, Provost, Student Services, Resident Coordinators, Resident Assistants, and Faculty Advisors to Student Organizations) will be required to report any official missing student to the TUPD.

Per the Clery Act, the University will give each student living in an on-campus housing facility the option to identify a contact person(s) who the institution shall notify if the student is determined to be missing by the TUPD. Students contact information will be registered confidentially and this information will be accessible only to authorized campus officials and the TUPD. This information may not be disclosed outside of a missing person investigation. Students under 18 years of age and not emancipated, the institution will notify a custodial parent or guardian when the student is determined to be missing within 24 hours, in addition to any additional contact person designated by the student. If a student did not name a contact person to notify, and the TUPD receives a report that the student is missing, the TUPD will conduct an investigation to determine if the student is officially missing.

If the student has designated a contact person, the TUPD will notify that contact person within 24 hours. If the student is under 18 years of age and is not emancipated, the TUPD will notify the student's custodial parent or guardian and any other designated contact person within 24 hours. Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, TUPD will conduct an investigation to determine if the student is officially missing within 24 hours.

Access to Campus Facilities and Residence Halls

Access to campus buildings and grounds is a privilege extended to students, faculty, staff, and guests. The University encourages an open environment with campus entry constraints to ensure the protection of all members of the community. Except for residence halls, most campus facilities are open during weekday business hours. Individuals who wish to access university buildings or property during non-business hours or for special events should contact the appropriate department administrator, Student Life, or the TU Police Department.

Exterior doors of the residence halls are locked twenty-four hours a day. A resident's individual room key also unlocks the main door. A resident must escort all visitors through the residence halls. In the event of a lost key, the student's room locks are changed.

Staff Training- All Residence Life staff members undergo thorough training on enforcing residence hall security policies. As part of the responsibility for residence hall security, all staff members participate in lectures and seminars that are conducted by University administrators and police and associated with the safety and security of the campus.

SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES

The University is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. Representatives from various departments continually conduct security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. Department members conduct routine checks of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is acted upon by a representative of the appropriate maintenance office.

We encourage community members to report any deficiency in lighting to Facilities at (334) 727-4415. Any community member who has a concern about physical security should contact TUPD at (334) 727-8757.

Representatives from the police department and physical plant work together to identify inoperative locking mechanisms on a continual basis.

We encourage community members to promptly report any locking mechanism deficiency to Physical Plant Operations at (334) 727-4415, or to TUPD at (334) 727-8757. Maintenance staff is available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection.

These conditions also may include unsafe steps or handrails, unsafe roadways on campus, and unsecured equipment.

LIVING OFF-CAMPUS

TU owns off-campus residences reserved for senior staff and administrators. However, neither the TU Housing Department nor TU provides constant supervision for off-campus housing, apartments, or individual homes. All students receive crime awareness information. Whether the student lives on or off campus, they are encouraged to report all crimes to the appropriate police agency. The University contracted off-campus for upper-classmen at the Connections in Auburn. The Auburn Police Department as well as a private contracted security firm patrol these premises.

If community members report crimes or serious incidents to other University administrators, those administrators will notify the TUPD. Representatives of these offices will promptly notify and collaborate with TUPD to issue a crime alert, if one is appropriate. This is also the case involving off-campus incidents reported to other surrounding municipalities with whom TUPD shares data.

The TU Police Department also works closely with the Office of Title IX and Student Affairs. In this collaboration, programs include:

Campus Watch- This program encourages the community to take an active role in the fight against crime.

Drug and Alcohol Abuse- This program is designed to educate our students on the cause and effect of drugs and alcohol abuse.

Pedestrian Safety Campaign- Encourages safe habits and adherence to traffic policies.

Domestic Violence Seminar- Teaches the signs and symptoms of abuse.

Workplace Violence Seminar- Learn the different methods to identify and curtail workplace violence. Reviews the laws and employee rights and procedures to take when faced with this type of situation.

Personal Safety Awareness Seminar- Informs the community of the possible dangers of unwanted/uninvited individuals that could be lurking in the area.

Rape Aggression Defense- Program that teaches an individual how to become aware of potential aggressors and how to protect oneself from existing aggressors. TU students and employees learn how to defend themselves if attacked.

Active Shooter Response – This program teaches response options during a violent intruder and/or active shooter event.

Safety programs begin with orientation for incoming freshmen and their parents. Once school begins, the Crime Prevention Unit continues with educational programs throughout the year in the residence halls as requested. All programs are available to students, faculty and staff upon request or if a need becomes apparent.

Primary Education and Awareness Programs

The term primary education refers to programming, initiatives and strategies intended to bring awareness to domestic violence, dating violence, sexual assault, or stalking before it occurs to educate students on risk factors and signs before initial perpetration or victimization through the promotion of positive and healthy behaviors and beliefs. Efforts to change behavior and social norms, and promote healthy relationships, healthy sexuality and egalitarian gender roles, or efforts to understand risk factors and protective factors for bystander inaction and change social norms around bystander inaction are all examples of primary prevention.

Ongoing Education and Awareness Programs

The term ongoing awareness and education campaigns refers to campaigns that are sustained over time focusing on increasing awareness or understanding of topics relevant to crime reduction. These programs will occur at different levels throughout the institution (i.e. faculty, athletics, and incoming students) and will utilize a range of strategies. Ongoing awareness and education campaigns may include information about what constitutes sexual assault, dating violence/intimate partner abuse, and stalking, changing social norms, promoting recognition of perpetrator tactics, enhancing understanding of consent, and advancing prosocial behaviors of individuals and communities. Effective ongoing awareness and education campaigns will include developmentally appropriate content for the specific audience and their knowledge and awareness level and provide positive and concrete ways for individuals to get involved.

CRIME STATISTICS ACT, AS AMENDED BY THE VIOLENCE AGAINST WOMEN
REAUTHORIZATION ACT OF 2013 (VAWA)**

Tuskegee University prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the University community.

As a result, TU issues this statement of policy to inform the University community of our programs to domestic violence, dating violence, sexual assault and stalking. This statement also includes the procedures for institutional disciplinary action, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a university official.

Sex Offender Registration

The Federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also mandates sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteer services or is a student.

In Alabama, convicted sex offenders must register with the sheriff of the county of his or her legal residence. Information on Registered Sex Offenders can be obtained at the TU Police Department or on the Alabama Department of Public Safety's website: <https://www.alea.gov/dps>, located under the Sexual Offenders link.

DISTRIBUTIONS OF TIMELY WARNINGS

The department distributes timely warnings via the University's Tiger-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. Tiger-ALERT also integrates with Facebook and Twitter.

Timely Warnings are issued to alert the University community to certain crimes in a manner that is timely and will aid in the prevention of similar crimes. Once the University determines that an alert will be issued, the Information Technology Department e-mails the announcement and the police department posts it on its Website at www.TU.edu/police. The department may also post alerts on bulletin boards throughout campus and send "Be On the Look Out" (BOLO) to local law enforcement agencies.

DAILY CRIME and FIRE LOG

TUPD maintains a Daily Crime and Fire Log that records, by the date the incident was reported, all crimes, fires, and other serious incidents that occur on campus, in a non-campus building or property, on public property, or within the department's patrol jurisdiction. It is our policy to prepare an annual disclosure of crime statistics via our Annual Security and Fire Safety Report, our Daily Crime Log and on our department's website. The Daily Crime Log is available for public inspection at the department's headquarters. The Daily Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created. The department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

EMERGENCY PREPAREDNESS, RESPONSE, AND EVACUATION PROCEDURES

Tuskegee University has long recognized the need to be prepared for critical incidents. Under the guidance of the University Safety Committee, various department and offices work together to ensure the University is doing all it can to prepare for, prevent, respond to, and recover from emergencies. In conjunction with local first responders, such as the Tuskegee City Police, Fire Departments, and the Macon County Sheriff's Office, the University is well prepared to respond to a full range of critical incidents.

The **Office of Safety** (Mr. Wilbert Anderson, Safety Officer) and the University Police Department (TUPD) work together to ensure our emergency protocols and plans are updated, as needed, and are applicable as new risks are identified. The University's emergency planning website, located at www.tuskegee.edu/alert, not only contains important information about what to do during an emergency, but it also outlines the various initiatives underway to enhance preparedness. One such initiative is the Tuskegee University Emergency Notification System. The previous notification system *TigerAlert* was replaced with the current emergency notification called **RAVE**. The TU Police Department is using the **RAVE** platform to notify the campus in case of an emergency by sending alerts via text messages, email and automated call to their phones with just one click.

Upon immediate confirmation by the University Police Department or other University administrators (President, President's Cabinet, and Marketing & Communications) that an emergency incident has occurred on campus, the University will immediately issue an emergency notification to the campus community via the University's RAVE emergency notification system.

Students, faculty and staff can download the RAVE app on their iPhone or Android using the TU Secure App which is available in the app store. TU Secure connects them with campus police during emergencies, allows friends to track your location, provides campus maps and other features.

However, if issuing a notification, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the University may decide not to immediately issue the notification. Appropriate University administrators (University Police, or President, President's Cabinet, or Emergency Management) will determine the necessary segment or segments of the campus community to receive an emergency notification(s): such as the entire campus community, or the affected residence hall or halls, or the

affected campus building or buildings, or the affected hospital(s); determine the content of the notification, such as the University Police Department will determine how much information is appropriate to disseminate at different points in time to the entire campus community, or the affected area(s).

Part of this information may tell the residents, students, and/or employees to shelter in place or to tell commuter students and employees to stay away from campus; and initiate the notification system.

TU will test (announced or unannounced) the emergency notification system on an annual basis and publicize its emergency response and evacuation procedures in conjunction with its annual test per calendar year. TU will document each annual test, including a description of the exercise, the date, time, and whether it was announced or unannounced.

CRIMINAL INCIDENTS ON CAMPUS

The University Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at www.tuskegee.edu/police. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus, Student Housing and Residential Life, the Office of Student Affairs, and the Office of Title IX. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the TU Police, designated campus officials (including but not limited to directors, deans, department heads, student conduct, advisors to students/student organizations, athletic coaches), and local law enforcement agencies.

Each year after October 1st, an email link is made available via the Campus E-Blast, RAVE, and the Office of Human Resources in reference to the website to access a pdf copy of the Annual Security & Fire Safety Report. Copies of the report may also be obtained at the University Police Department Headquarters located at 1103 W. Montgomery Rd.

Major crimes reported to the TU Police Department from January through December of the most recent three- year period are listed in this report. TU Police Incident Reports are subject to Alabama's Uniform Crime Reporting Program and the Alabama Open Records Act.

The Code of Alabama (Section 36-12-40) states that every citizen has a right to inspect and take a copy of any public writing of this state, except as otherwise expressly provided by statute. Disciplinary referrals for violations of the Student Code of Conduct, which may include some criminal offenses specified for this report, are sometimes made directly to the Office of Judicial Affairs (Dean of Students) by individuals or campus organizations other than the TU Police.

Note: Any incidents that may have been reported only to pastoral and professional counselors of the University are generally protected by privacy rights of the client or patient and are not included in any of the following statistics, nor for any timely warning notifications to the campus.

OFF-CAMPUS CRIMES AND CASES REPORTED TO OUTSIDE AGENCIES

The Tuskegee University Police department makes a concerted effort to identify and assist in all investigations of criminal offenses involving its students that have been reported to surrounding law enforcement agencies. If they exist during a reporting period, they will be listed in this report.

TUPD also subscribes to an electronic reporting service, "Community Crime Map". This service provided by Lexis-Nexis notifies the Chief of Police daily of any major crime occurring within a one mile radius of the campus. Additionally, a similar service is used for severe weather and any emergency occurring in the neighboring county school district.

UNFOUNDED CRIMINAL INCIDENTS

"Unfounded" means that an investigation has shown that the incident or offense did not occur. An offense or incident cannot be "unfounded" just because stolen property was recovered and/or the victim refuses to prosecute, or an arrest was not made.

(1) The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. (2) For the purpose of this definition- (i) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. (ii) Dating violence does not include acts covered under the definition of domestic violence. 2025 Fire Safety Report
(Relating to activities of 2024)

Mr. Wilbert Anderson, *Campus Fire Safety Officer*

334-552-1299

Important Definitions

Fire: Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Cause of fire: The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure, or act of nature.

Fire drill: A supervised practice of a mandatory evacuation of a building for a fire.

Fire-related injury: Any instance in which a person is injured because of a fire, including an injury sustained from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of the fire. The term person may include students, faculty, staff, visitors, firefighters, or any other individuals.

Fire-related death: Any instance in which a person is killed because of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or dies within one year of injuries sustained because of the fire.

Fire safety system: Any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. This system includes sprinkler systems or other fire extinguishing systems, fire detection devices, stand-alone smoke alarms, devices that alert one to the presence of a fire, such alarms, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

Value of Property Damage: The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quantity. This estimate should include contents damaged by fire, and related damages caused by smoke, water, and overhaul; however, it does not include indirect loss, such as business interruption.

Residence halls fire prevention information

Smoke detectors and sprinkler systems. All residence halls have smoke detectors, sprinkler systems installed, and a Fire Alarm Control Panel. There are smoke detectors in each student room as well as in common areas. These are connected to the central alarm system, which, in turn, is connected to the TU Police Department.

Fire Safety Equipment: All suites/apartments are equipped with smoke detectors. Each floor in each residence hall is equipped with fire extinguishers. Fire alarm pull stations are located on each corridor of each hall. Tampering with fire safety equipment or setting off a false alarm is against the law. It also will make the system ineffective and endanger the lives of other residents. Any person who sets off a false alarm, interferes with the operation of the alarm system, damages or removes any part of the alarm system, fire extinguishers, smoke detectors, or exit signs are subject to severe disciplinary action, including dismissal from the residence halls, possible suspension from the University, and/or criminal prosecution.

If a smoke detector is detached from the wall for any reason, it is the responsibility of the resident to report it immediately. If not reported, all residents will be held responsible for tampering with fire safety equipment and will be disciplined and/or fined.

Fire drills/safety education: To comply with state and local fire regulations and for fire safety education, unannounced fire drills are conducted every semester. All persons inside the residence hall during emergency drills are required to evacuate the building. Failure to evacuate the residence hall for any reason, including sleeping through an alarm, may result in disciplinary action.

Fire evacuation procedures: In the event of a fire, all residence hall buildings will be evacuated to protect the health and safety of the residents, guests, and visitors. When an alarm is sounded, you must assume there is an emergency and you must follow the following steps:

- **REMAIN CALM.**
- Evacuate by the nearest safety exit stairway.
- **DO NOT USE ELEVATORS.** Elevators will either automatically return to the first floor or the TU Police will return them to the first floor.
- Residents who cannot traverse stairs should exit through the main entrance if they are on that floor. If on a higher floor, these residents should report to the nearest stairwell and wait safely inside. Emergency personnel or Student Housing and Residence Life staff will help residents and guests waiting in the stairwell.

- After departing the hall, proceed directly to the designated assembly point away from the building. Do not leave the assembly area until told to do so by a responsible official. Suitable emergency shelter will be provided as soon as possible.
- Return to the hall ONLY when told by the Tuskegee Fire Department Officials, TU Police, or a Student Housing and Residential Life staff member.

Fire safety regulations:

It is essential that residents observe the following fire safety regulations:

- Do not leave appliances unattended while in use.
- Do not overload electrical circuits.
- No open flames (candles, incense, kerosene lamps, etc.) or any incendiary devices are permitted in residence hall rooms/suites/apartments.
- The storage or use of flammable liquid or substances is prohibited.
- Fireworks are not permitted.
- Electrical appliances (toaster ovens and deep fryers) with exposed heating elements are prohibited. All appliances must be UL-approved.
- The use of multi-outlet plugs is prohibited, except for those with built-in circuit breakers.
- Motorcycles, motor scooters, and other internal combustion engines are not permitted inside or adjacent to the buildings. Consult the TU Police Vehicle registration Office for approved parking areas.
- Bicycles may not be kept in hallways/stairwells, attached to fire equipment, or placed in any manner that interferes with exit from the building.
- Smoking is prohibited in all University buildings, including residence hall balconies.
- In the event of a grease or food fire on top of the stove eye, do not attempt to lift or move the container. Instead, turn off the stove eye and cover the pot with a metal lid. If the container is inside the oven, turn the oven off and leave the oven door closed.
- Halogen lamps and medusa lamps are not permitted in the Residence Halls.
- Hanging anything from the ceiling and/or balcony is not permitted. This includes, but is not limited to hanging lights, string lights, and hanging baskets.
- String hanging lights are not permitted outside apartments/suites, including balconies.
- Fog machines are not permitted in the residence halls. This includes using fog machines for decorative purposes.
- The Office of Student Housing and Residence Life must approve any use of portable space heaters.

Reporting a fire:

To report a fire, students and employees should contact the TU Police, Tuskegee Fire Department, or a Student Housing and Residential Life Staff member.

Fire Log:

The TU Police Department maintains a Fire Log that records, by the date the incident that was reported, all fires that occur in an on-campus housing facility. The Fire Log is available for public inspection at the department's headquarters. The Fire log includes the nature, date, time, cause, and general location of each fire reported to the department. The department posts fire incidents on the Fire Log within two business days of receiving a report of a fire and reserves the right to exclude reports from the log in certain circumstances.
